Education

University of Warwick 2018 - date

Studying Law with Year Abroad in English

Carshalton Boys Sports College, Carshalton, London 2011 - 2018

A Levels English Literature (A), Government & Politics (A) and History (B)

GCSEs 11 A* - B grades including Mathematics (A) and English (B)

Employment and Volunteering

Warwick Arts Centre October 2018 - present

- Progressed from volunteer steward to head steward and operations assistant at nationally recognised multi-venue arts centre
- Responsible for a diverse team of up to 14 stewards and over 1,200 audience members whilst balancing other responsibilities
- Customer-facing job required detailed knowledge of several venues, as well as being comfortable with selling ice cream and merchandise, then cashing it all up at the end and ensuring it all reconciles correctly

Think Higher November 2018 – present

- Think Higher and UniversityGO! ambassador and mentor, working on a wide range of jobs in schools and other places with school children
- 1-1 mentoring with children in foster care, acting as a positive role model and encouraging them to begin thinking about their future

Student Ambassador November 2018 – present

- Work a wide range of jobs representing my university in different venues across the country
- Jobs have included manning stands at fairs, presenting to school groups and the public, giving tailored campus tours, and supervising children on residential

Carshalton Boys Sports College September 2016 – September 2018

- Volunteered at school library as library assistant and in school kitchen

- Kept library clean and useable, and worked with cooks to keep kitchen clean and mobile during busy periods
- Used software to loan and return books, helped students chose the correct book and be a reading mentor to help younger students improve their reading skills
- Worked in Finance Office carrying out various administrative tasks, as well as solely working in and managing School Shop selling uniform and essential school items to over 1000 students

Extra-Curricular Activities

Cheese and Chocolate Society September 2019 – July 2020

- President of university's Cheese and Chocolate Society
- Responsible for the leadership team, as well as organising events and trips
- Marketing campaign tripled membership in one year

The Great Debate March 2017

- Reached National Finals of The Great Debate held by the Historical Association representing South London. Have so far used my experience in public speaking to develop it further by, among other things, presenting at my university's open day in front of audiences of more than 1,300 people (over 6,000 people across two days).

One-month volunteering expedition in Cambodia July 2016

- Expedition to Cambodia to help build local schools and toilet facilities, teaching local children English and replanting trees
- Fundraised the full amount through activities such as cake sales at local church, sponsored walks and mufti days at a local school

Jack Petchey 'Speak Out' Challenge April 2015

- Reached Regional Finals of Jack Petchey 'Speak Out' Challenge, presenting to an audience of around 100, about mental health, specifically suicide among young people

Other Skills and Interests

IT Skills: Confident and regular user of Google Drive (including Docs and Slides) and Microsoft Office

Hobbies: Includes reading non-fiction, walking, cycling, playing games that require a deep level of thinking and forward planning to ensure success, and coin collecting.
