PERSONAL PROFILE

I am a highly motivated and meticulous person, praised for being hard working. I describe myself as an effective multitasker and able to handle simultaneously a high volume of clerical projects with determination and professionalism, exhibiting the ability to fully exploit technology to make the most of the learning experience, exceed targets, and go the extra mile.

KEY SKILLS & COMPETENCIES

- Bilingual: Portuguese (native). Fluent in English (Spoken & written).
- Excellent proficiency with MS Office applications, Salesforce and Siebel.
- Excellent communication and listening skills.
- Ability to monitor and supervise staff.
- Ensuring adherence to standards within the relevant framework.
- Experience in working with people from a myriad of environments and backgrounds.
- Conducting service professionally and diplomatically, with a high level of integrity, dignity, and confidentiality.

PROFESSIONAL EXPERIENCE HEALTHCARE ASSOCIATE VITALITY HEALTH – (UK) AUGUST 2018 – PRESENT

- Answering Vitality Health customers' telephone and written queries, and taking ownership of their resolution.
- Processing claims in an accurate and timely manner.
- Assessing and analysing accounts and invoices.
- Logging and trying to resolve complaints in the first instance, before escalating to a higher degree
- Working day-by-day in a fast-paced and technical role, dealing with all levels of complexity, from customer queries and complaints.
- Ensuring that targets for productivity and quality are met.
- Being flexible to help various departments within the company.
- Liaising with third-party companies to achieve agreed KPIs and providing relevant feedback when needed.
- Working in line with GDPR and raising data protection incidents if appropriate.

ADVISOR AND TIER1 – SITEL LIFESCAN CAMPAIGN (UK) NOVEMBER 2015 – AUGUST 2018

- Handling customers, health care professionals, and sales representatives' queries and complaints, by phone and email, in a positive manner, and strengthen their relationship with the company.
- Creating OT Reveal accounts for health care professionals.
