

Visit report: SPY2_01_SparHawk_DPE_Visit_03.07.19 Time: 09.30		
Trust/School: Sparhawk Infants and Nursey		
Staff member: DPE: Stuart Lee School: Emma Davis		
The focus of the visit was to ensure the DPE website, best practice areas and key documentation was discussed and downloaded. The GDPR project objectives were mapped out, including completing the compliance checklist. Emma had already completed a high level data mapping exercise which will support the Record of Processing activity. Full report details are listed below.		
Item	Audit reports, DPE website and training	Follow on actions/comments
1	Visit audit report(s)	Actions from previous visits have either been completed or are in the process of being completed. The school is still investigating whether to move to electronic signing in (digigreet). Care plans are now in folders and Emma has recently completed an internal walk and is happy with GDPR compliance. An after-school visit to complete an audit walk (with the school governor?) is also an option for the school.
2	DPE website and best practice areas	DPE compliance checklists and updates to the website discussed. Recommended the school complete the compliance checklist initially. The checklists can be used to record and show GDPR progress to governors and support consultants during visits. Best practice areas and documentation discussed.
3	Staff training and reporting	• Training is completed by Emma as a group session and the school has already added as part of the induction process for new staff. GDPR is a regular item at governor's meetings; • School to register the governor responsible for GDPR (Fiona) who will complete the training.
Item	Policy/procedure	Follow on actions/comments
1	GDPR data protection policy	Completed.
2	GDPR privacy statement	Completed.
3	Breach procedure	Procedure completed. Online DPE Data Breach log demonstrated during visit. School is confident staff understand the data breach procedure and that breaches/incidents are logged. Emma will continue to use the original toolkit to record breaches. ACTION POINT: Emma to email dpo@dataprotection.education for any breaches that require escalating and investigating further.
4	SAR procedure and log	Procedure completed. DPE online SAR log demonstrated during the visit. Emma will continue to use the original toolkit to record SARs.
5	Records management policy	Policy downloaded during visit. ADVISORY: Recommended the policy is adopted by the school. School to add to the school website.

6	Information classification policy	Downloaded during visit. ADVISORY: Recommended the policy is adopted by the school.
7	Consent forms	Latest DPE consent documents downloaded during visit. ADVISORY: School to check against documentation currently used and ensure consent aligns with displays and publications. Ongoing process.
8	Clear desk policy	Completed.
9	FOI Policy	Downloaded during visit. ADVISORY: Option for the FOI Policy to be adopted by the school.
10	Retention schedule and safe destruction of data	Governor hub annual review of school data and safe data destruction checklist and IRMS toolkit documentation discussed with Emma. School can continue to check and record against data stored in school. The DPE record of processing tool will also include lawful basis for processing, risk and data retention.
Item	Data mapping and record keeping	Follow on actions/comments
1	Data mapping to support the Record of Processing (RoP) tool	Emma has already completed a high-level data audit. As the DPE Record of Processing tool is being launched shortly, the school will wait for this for record management and processing. DPE will be completing webinars and workshops from September 2019 to support schools with the process.
		IT Provider details: Intouch MIS Provider: Pupil Asset
Item	Technical measures	Follow on actions/comments
1	Website	School completes a weekly update and check of the school website and are currently working through outdated information.
2	Servers and back ups	School data is backed up to the cloud and also uses 2 x backup disks, one of which is stored off site. School currently reviewing practice. School server is kept in a cupboard which is not locked due to the risk of the server overheating. Suggested that the school could purchase a secure case for the server to improve security.
3	Cyber essentials	Downloaded. ACTION POINT: IT technician to complete.
4	Cloud computing	School to check current arrangements with service provider.
5	Tapestry:	School has consent and Tapestry is password protected.
6	iPad security	School has developed procedures to allow iPads to be accounted for daily.

Personal data	Explanation/concern	Consent obtained
1	Pupil photographs	Latest DPE guidance documents discussed with the school.
2	Staff photographs	Latest DPE guidance documents discussed with the school.
