

Visit report: WPY2_01_Wicklewood_DPE_Visit.05.09.19 **Time:** 13.30

Staff member: DPE: Stuart Lee and Linda Mortimer. **School:** Admin: Francis Harrod

The main purpose of the visit was to review actions from previous reports and to talk/walk through many of the new features on the DPE website and additional recommended documentation. A mini walk was also completed after school and good practice was again observed. Main details of discussions from the visit are listed below. SL is meeting with Karen Hurst to review cluster policy documentation and also meeting with the admin leads 4 November.

Item	Audit walks, DPE website and training	Follow on actions/comments
1	Audit walk comments (including previous audits)	Actions from previous walk and additional comments detailed below: Front office: - Care plans/medical: Review how data is displayed. Could care plans be covered or added to folders? Who has access (i.e. parent who may have a contract as a cleaner)? School to determine vital interests as to how to display, and document. Since visit 1 the school has gained consent. Discussed the pros and cons of still having care plans on display. ACTIONED: Determined that the school would be better moving to a folder system; - Medical containers that had for example, asthma medication on shelving. ACTION POINT: Suggested the school could build into premises development plan purchasing additional secure cabinets for the future. Classrooms: - School now utilises SharePoint – no staff use encrypted memory sticks, although the school will complete another check. Whole school: ACTION POINT: Suggested the school could complete a data cleanse of each classroom and cupboards during this term and encourage staff to self-regulate; - Staffroom shelving contained outdated files - as above school to complete a data cleanse. Note: Each classroom has a lockable cabinet that sensitive data is added to.
2	DPE website and best practice areas	DPE compliance checklists and updates to the website discussed. Recommended the school complete the compliance checklist initially. The compliance checklist was completed during the visit. The checklists can be used to record and show GDPR progress to governors and support consultants during visits. Best practice areas, compliance manager and record of processing tool documentation discussed.
3	Staff training	Training has been completed by teaching staff. In addition, discussed the school should complete e-learning for key admin/support staff. SL also happy to provide an afterschool awareness session if needed; Use staff meetings/briefings to raise staff awareness.
	Compliance manager	Demonstrated how reports can be uploaded and documentation read/reviewed by staff: DPE/Tools/Compliance manager.

	Policy/procedure	Follow on actions/comments
1	ICO registration	School was already registered but did not have DPE as the named DPO. SL supported the school with sending an email to the ICO to register.
2	GDPR data protection policy	Completed and displayed on the school website.
3	GDPR privacy statement	Completed and displayed on the school website.
4	Breach procedure	Procedure completed. Online DPE Data Breach log can be used by the school. ACTION POINT: School to ensure staff understand the data breach procedure and that breaches/incidents are logged. DPE GDPR e-learning training will support this. School has been using the initial DPE toolkit that has now been superseded. Suggested the school uses the online log in the future.
5	SAR procedure and log	Procedure completed. DPE online SAR log can be used by the school. School has been using the initial DPE toolkit that has now been superseded. Suggested the school uses the online log in the future.
