2	DPE website and best practice areas	DPE best practice areas, compliance checklists, SLAs and compliance manager discussed/demonstrated with the school. At time of visit the school started to complete various checklists. The checklists can be used as a data dashboard to record and show GDPR progress to governors and support consultants during visits. Demonstrated Commitment to Compliance checklist. ACTION: Leadership Team continue with completion of checklists – Autumn Term 2019

3	Staff training	DPE has e-learning modules that are part of the school's subscription. To date no staff have completed any online GDPR training. School to concentrate on key staff completing Module 1 – Leadership Team & School Support Manager Training will be included in the induction process for new staff Note: Bite size training on SARs and Breaches will be available soon – notified via 'news' tab on the DPE website. ACTION: School to ensure that the LT and SSM complete Module 1 training as a minimum by end of Autumn Term 2019
4	Compliance manager	Demonstrated how reports can be uploaded and documentation read/reviewed by staff: DPE/Tools/Compliance manager Can be used for sharing of Safeguarding Policy, Keeping Children Safe in Education, Whistleblowing Policy, Staff Handbook etc. The school currently uses School Bus as a communication tool.
	Policy/procedure	Follow on actions/comments
1	ICO registration	ICO Registration Z1200480 EXPIRES 31.1.20 School is already registered with ICO but does not have DPE as the named DPO - Completed
2	GDPR data protection policy	The school has a GDPR policy in place. Please ensure that DPE are the DPO in this policy. ACTION: Remove Stuart Lee as the named DPO and replace with Data Protection Education
3	GDPR privacy statement	Downloaded DPE model Privacy Statement at time of visit ACTION: Ensure that Privacy Statement details DPE as the DPO and that it includes a detailed list of third party providers (please see list provided by email on 10.10.19)
4	Breach procedure	The school use the online DPE Data Breach log to record centrally. The data breach procedure is communicated to staff and staff understand the data breach procedure and that breaches/incidents are logged. Explanation provided for new heading on Data Breach notification – Breaches received.
5	SAR procedure and log	School could use DPE SAR Procedure. ADVISORY: DPE online SAR log can be used by the school.
6	Records management policy	Downloaded at time of visit ADVISORY: Recommendation from DPE is the policy be adopted by the school. Consider adding to the school website – Autumn 2019

9	Clear desk policy	Downloaded at time of visit. ADVISORY: Recommended the policy is adopted by the school – Autumn 2019
10	FOI Policy	Downloaded at time of visit. FOI is now a section on DPE website. ADVISORY: Recommendation from DPE is the policy be adopted by the school – Autumn 2019
11	Work away from school policy	Downloaded at time of visit. ADVISORY: Recommendation that the Policy is adopted by the school – Autumn 2019
12	Retention schedule and safe destruction of data	Governor hub annual review of school data and safe data destruction checklist and 'Information and Records Management System) IRMS toolkit documentation discussed with the school. School can continue to check and record against data stored in school. The DPE record of processing tool will also include lawful basis for processing, risk and data retention. ADVISORY: School access Governor Hub to download the above – Autumn 2019
12	DPIA	Discussed when a DPIA would be needed eg introduction of a new software system. DPE will be providing additional documentation on the Knowledge Bank. Risk management is also incorporated within the Record of Processing tool. DPE ACTION: Email school with standard ICO DPIA template - completed
Item	Data mapping	Follow on actions/comments
1	Data mapping to support the Record of Processing (RoP) tool	As the DPE Record of Processing tool is being launched shortly, the school will wait for this to start data mapping and for record management. DPE have provided around 100 generic processes that can be mapped for each school with appropriate sub-processes. DPE will be completing webinars and remote sessions from September 2019 to support schools with the process.
		IT Provider details: NCC IT Solutions – tbc MIS Provider: Pupil Asset
Item	Technical measures	Yes Follow on actions/comments
1	Website	School to complete checks and cleanse to remove any old photos of leavers from the school website. School will move historical images to a secure area of the school server ACTION: Introduce procedures to embed good practice for removal of old photos– Spring Term 2020
2	Servers and back ups	School data is backed up to the cloud and uses Pupil Asset and Google Drive

		The Server is situated in a server room which is locked. School to still complete a full data cleanse IT provider can complete a search to identify outdated information. School align with retention schedule and only keep up to date images and photos/videos required for archiving and historical purposes. ADVISORY: School to liaise with IT Technician to create a robust procedure for data cleansing and archiving
3	Cyber essentials	Questionnaire downloaded at time of visit. DPE recommends that IT provider completes. ADVISORY: School to request IT Technician completes Cyber Essentials Questionnaire – Autumn 2019.
