

Visit report: SPY2.01_DPE_Visit. 08.10.19 Time: 10.00 – 12.30 (01263 824221)		
Staff member: DPE: Linda Mortimer School: Sheringham Primary NR26 8UH Headteachers: Rachel Carter BM: Zoe Law		
Sheringham is a large community primary school located on the North Norfolk coast providing education for 550 students aged 3 - 11 years. The school was found to be Good at its latest Ofsted inspection on the 25 January 2018		
Item	DPE website	Follow on actions/comments
1	Audit walk comments (including previous audits) 14.6.18	School Walk – Action points from 14.6.18 and 8.10.19: All actions noted during walk on 14.6.18 have been completed with the exception of: Care Plans and Asthma Pumps in Classrooms The school has reviewed the data risks whilst considering the health and welfare of their students, and have continued with their current practice where care plans, medical information and equipment is positioned in each classroom. DPE recommends that for such sensitive data this would not normally be on general display. It is recommended the school review again current practice and consider: Folder systems and filing data securely at night with medical equipment; • Minimising care plan/medical data and placing information in opaque plastic folders; • Review the need for multiple copies of care plans/medical data as there is a risk that information can become outdated; • Can secure online systems be utilised for sharing this information (some schools have removed the need for paper copies)? Additional guidance can also be obtained from the DPE website/Drip feeds/ DPE quick reference guide (section 5): https://kb.dataprotection.education/best-practice-library/documents/drip-feeds/57-dpe-quick-reference-guide/file

		Recommendations from walk on 8.10.19: Year 1 Classroom: First name and surname appear on all books – Recommendation to revert to single name only. Reception Classroom: The date of student's birthdays and first names were on display – Recommendation reduce to first name on the relevant month of the year. Other Queries All student exercise books across the school have the first name and surname of the student on the front cover. The Year 1 learning journals have first name and surname on the front cover and a photo of the student within the journal. DPE advise that learning journals belonging to any students deemed vulnerable by the school, that where possible, should not remain on open display and stored securely at night and during school holidays. Sheringham Primary is a teaching school and welcomes many students from the UEA. Prior to attending the teaching school, UEA students request information re names of PP students and staff lists, for the school to share this will be dependent on the data sharing agreement *with the University. Advice given at the time of the audit was not supply the UEA student with details of PP students and class list until they are actually attending placement. Teaching students must be reminded of the importance of adherence to GDPR principles and confidentiality. UEA students will also compile detailed reports and case studies, however Sheringham Primary School student's names will be anonymised and the Leadership Team should request to see a copy of such reports and case studies to ensure adequate anonymisation, pseudonymisation is in place. *Suggest that the school refer this query to James England at DPE for and advice and guidance.
2	DPE website and best practice areas	DPE best practice areas, compliance checklists, SLAs and compliance manager discussed/demonstrated with the school. At time of visit the school started to complete various checklists. The checklists can be used to record and show GDPR progress to governors and support consultants during visits The school requested clarity re the checklist for 'Working out of School' and the following advice was provided:

		Transportation of Data – to ensure that if the member of staff is transporting data to their home, they are advised not to make any stops on their journey, as leaving confidential data unattended will incur greater risks. Technical Measures – when working at home, always use a school laptop or device which is encrypted, password protected, has anti-virus software in place. Preferably to work on cloud based programmes; Ensure that member of staff does not use personal device or that belonging to any other member of the household; Ensure that member of staff has an awareness to lock the screen on the device when left unattended. Ensure that members of the household do not have sight of personal data / school data. Technical Measures for Working Remotely – the staff will only access the school's drive from home via the approved NCC secure portal. The NCC portal will have security measures in place with adequate filtering. NCC will be able to monitor who has access, when and the duration of the access. ACTION: Leadership Team continue with completion of checklists – Autumn Term 2019
3	Staff training	DPE has e-learning modules that are part of the school's subscription and not all staff have completed Module 1 of the online training. Training is now included in the induction process for new staff however there is a problem with new staff accessing the online training module – the school has reported this to DPE Note: Bite size training on SARs and Breaches will be available soon – notified via 'news' tab on the DPE website. ACTION: School to ensure that new staff receive GDPR training – Autumn Term 2019 DPE ACTION: Resolve issue with new staff not being able to access online training module and also uploading of up to date CSV files re staff list. The school has communicated these problems to the DPE team.
4	Compliance manager	Demonstrated how reports can be uploaded and documentation read/reviewed by staff: DPE/Tools/Compliance manager. DPE ACTION: The school has reported that there are problems with assigning documents to staff and this has been communicated to DPE
	Policy/procedure	Follow on actions/comments
1	ICO registration	ICO Registration Z5162622 EXPIRES 7.11.19 School is already registered with ICO but does not have DPE as the named DPO - school has actioned
2	GDPR data protection policy	The school has a GDPR policy in place. The Policy does not have DPE as the named DPO. ACTION: Remove Stuart as the named DPO and replace with Data Protection Education in the GDPR Policy

3	GDPR privacy statement	Privacy Statement does not have detailed list of third parties. ACTION: Ensure DPE is the named DPO and expand on list of third parties – Autumn 2019
4	Breach procedure	The school keeps a data breach log and have the option of using the online DPE Data Breach log to record centrally. The data breach procedure is communicated to staff and staff understand the data breach procedure and that breaches/incidents are logged. Explanation provided for new heading on Data Breach notification – Breaches received.
5	SAR procedure and log	Procedure completed and is published on the school website. ADVISORY: DPE online SAR log can be used by the school.
6	Records management policy	Policy to be downloaded after visit. ADVISORY: Recommendation from DPE is the policy be adopted by the school. Consider adding to the school website – Autumn 2019
7	Information classification policy	Policy to be downloaded after visit. ADVISORY: Recommendation from DPE is the policy be adopted by the school – Autumn 2019
8	Consent forms	School to check their Withdrawal of Consent Form and Consent Form with latest DPE model. ADVISORY: School to check against documentation currently used – Autumn 2019
9	Clear desk policy	Policy to be downloaded after visit. ADVISORY: Recommended the policy is adopted by the school – Autumn 2019
10	FOI Policy	Policy to be downloaded following visit. FOI is now a section on DPE website. ADVISORY: Recommendation from DPE is the policy be adopted by the school – Autumn 2019
11	Work away from school policy	Policy to be downloaded after visit.
12	Retention schedule and safe destruction of data	Governor hub annual review of school data and safe data destruction checklist and 'Information and Records Management System)IRMS toolkit documentation discussed with the school. School can continue to check and record against data stored in school. The DPE record of processing tool will also include lawful basis for processing, risk and data retention. ADVISORY: School access Governor Hub to download the above – Autumn 2019
12	DPIA	Discussed when one would be needed i.e. CCTV. DPE will be providing additional documentation on the Knowledge Bank. Risk management is also incorporated within the Record of Processing tool. DPE ACTION: Email school with standard ICO DPIA – finance@sheringhamprimary.norfolk.sch.uk
Item	Data mapping	Follow on actions/comments
1	Data mapping to support the Record of Processing (RoP) tool	As the DPE Record of Processing tool is being launched shortly, the school will wait for this to start data mapping and for record management. DPE have provided around 100 generic processes that can be mapped for each school with appropriate sub-processes.

		DPE will be completing webinars and remote sessions from September 2019 to support schools with the process.
		IT Provider details: NCC IT Solutions – tbc MIS Provider: Pupil Asset
Item	Technical measures	Follow on actions/comments
1	Website	School to complete checks and cleanse to remove any old photos of leavers from the school website. School website provider is changing to Creative Corner from Primary Site – will remove old images School store historical images on to their staff drive ACTION: Introduce procedures to embed good practice for removal of old photos– Spring Term 2020 DPE ACTION: DPE to confirm that photos can be stored on staff drive?
2	Servers and back ups	School data is backed up to the cloud and also to Woodfield School by IT Manager Server is situated in a server room which is locked. School to still complete a full data cleanse IT provider can complete a search to identify outdated information. School align with retention schedule and only keep up to date images and photos/videos required for archiving and historical purposes DPE ACTION: DPE to confirm that If school cannot access data in event of server complete malfunction is this regarded as a data breach?
3	Cyber essentials	Questionnaire to be downloaded. DPE recommends that IT provider completes. ADVISORY: School to request IT Technician completes Cyber Essentials Questionnaire – Autumn 2019.
4	Cloud computing	School uses cloud storage facility – Google Drive BCP is in hard copy format – headteacher has obtained permission to include personal phone numbers
5	Laptops	All school laptops are encrypted
6	iPad security	School iPads are accounted for on a regular basis; iPads have secure codes to gain access IT Manager has a signing in and out for staff iPads this will also cross reference with Star Accounts inventory Student iPads are not pass code accessed, they are used for applications, coding work, general curriculum work The school has recently moved to cashless for payments relating to school trips, lunches, before and after school clubs. To ensure that parents are not discriminated if they do not have access to the internet, the school has an office iPad which parents can use. There is a disclaimer the school uses to ensure parents are aware that it is their responsibility to keep their log in details confidential and to ensure that they log out of the Parent Mail cashless system on completion of their payment transaction. Both ‘find my ipad’ and ‘return to factory settings’ as a default are place

Item	Personal data	Consent obtained
1	Pupil photographs	Latest DPE guidance documents discussed with the school.
2	Staff photographs	Latest DPE guidance documents discussed with the school.
