1	Audit walk comments (including previous audits) Last Audit 25.2.19	Actions from walk on 25.2.19: School to review signing-in system – will introduce once moved school site Child birthday lists: Parents are signed up to birthday list – therefore consent given. Care plans: Still on display at the time of site walk on the 7.10.19. Parents of children with care plans have given permission for their child's personal medical data and their contact numbers to be displayed in the staffroom and medical room. The school has reviewed the data risks whilst considering the health and welfare of their students, and have continued with their current practice where care plans, medical information is on display. DPE recommends that for such sensitive data this would not normally be on general display. It is recommended the school review again current practice and consider: • Folder systems and filing data securely at night with medical equipment; • Minimising care plan/medical data and placing information in opaque plastic folders; • Review the need for multiple copies of care plans/medical data as there is a risk that information can become outdated; • Can secure online systems be utilised for sharing this information (some schools have removed the need for paper copies)

		Printers/photocopier: School still considering adding codes at the photocopier/printer. Staff are diligent in collecting their photocopying and the Headteacher confirms paperwork has not been mislaid. Copier is situated in the DT room which has very restricted access. This will change when the school moves building.
