

Visit report: AAY2.01 SWANTON ABBOTT PRIMARY NR10 5DZ DPE Visit.24.09.19 Time: 09.30 - 13.30		
Staff member: DPE: Stuart Lee / Linda Mortimer School: Headteacher: Mrs Emma Hamilton-Smith		
Swanton Abbott is a small, rural community primary school providing education for students aged 4 – 11 years. It currently has 99 students on roll. At its last Ofsted inspection it was found to be Good.		
Item	Audits DPE website and training	Follow on actions/comments
1	Audit walk comments (including previous audits)	The school is still working through actions from the previous visit. Discussed with Emma: Signing in: - The school is still using existing system – Headteacher will explore alternative Cherry Tree Carbon (refer to previous report). Heads Office: - Locked cabinet in place for sensitive data. Ongoing data cleanse in place. Classrooms: - Now using forenames only Clear desk policy: - This has now been implemented Staffroom: - Medical information – names of children will be reduced to forename only and covered. Staffroom is locked at night and has limited entry. Discussed DPE recommendations of folder/secure storage. Emma has reviewed risks and is happy with current system. Printer Codes: - Headteacher's printer is used for sensitive data printing. School Walks: - Head has downloaded proforma for GDPR compliance walk – suggest that a walk is undertaken after school hours.
2	DPE website and best practice areas	DPE best practice areas, compliance checklists, SLAs and compliance manager discussed/demonstrated with the school. Staff list uploaded to compliance manager. Recommended the school complete the compliance checklist initially. The checklists can be used to record and show GDPR progress to governors and support consultants during visits. ACTION: Commence completion of checklists – Autumn 2019
3	Staff training	DPE has e-learning modules that are part of the schools subscription.

		Training has not been completed; Training to be delivered: • Rollout to key staff; Headteacher and Admin and then relevant staff; • Add as part of the induction process for new staff; • Consider the governor responsible for GDPR completing the training; • Use staff meetings/briefings to raise staff awareness. ACTION: Commence roll out of training – Autumn 2019
	Compliance manager	Demonstrated how reports can be uploaded and documentation read/reviewed by staff: DPE/Tools/Compliance manager. School's DPE visit reports will be uploaded here. Can be used for sharing of other documents such as Safeguarding Policy, Staff Handbook, Whistleblowing Policy - facility to show which staff have 'read and understood'. DPE reports will now be uploaded to the Compliance Manager.
	Policy/procedure	Follow on actions/comments
1	ICO registration	ICO Registration number: Z5280115 Expires 30 May 2020 School was already registered but did not have DPE as the named DPO. SL supported the school with sending an email to the ICO to register.
2	GDPR data protection policy	Completed.
3	GDPR privacy statement	Completed. Privacy Statement located under Key Information on school's website School to amend: <u>Who we share pupil data with</u> to include: • Suppliers that we have contracted with to provide educational services and those related to the operations of the school. For example: Pupil Asset the schools primary information management system (Please see Appendix 1 for full list of organisations that we share pupil information with) ACTION: Review and amend list of third party provider. Consider reporting list of third party providers as an appendix at the end of the Privacy Statement – Autumn 2019
4	Breach procedure	Procedure to be revisited. Online DPE Data Breach log can be used by the school. School to ensure staff understand the data breach procedure and that breaches/incidents are logged. DPE GDPR e-learning training will support this. <u>Explanation provided for new heading on Data Breach notification – Breaches received</u>
5	SAR procedure and log	Procedure to be revisited. DPE online SAR log can be used by the school.

6	Records management policy	Policy downloaded during visit. ADVISORY: Recommendation from DPE is the policy be adopted by the school. Consider adding to the school's website – Autumn 2019
7	Information classification policy	Policy downloaded during visit. ADVISORY: Recommendation from DPE is the policy be adopted by the school – Autumn 2019
8	Consent forms	ADVISORY: School to check DPE consent form against documentation currently used. Photo and video guidance downloaded and will be adopted by school – Autumn 2019
9	Clear desk policy	School downloaded during visit and being rolled out to all staff. ADVISORY: Recommended the policy is adopted by the school after staff have completed GDPR training
10	FOI Policy	Policy downloaded during visit. ADVISORY: Recommendation from DPE is the policy be adopted by the school – Autumn 2019
11	Work away from school policy	School downloaded during visit, ADVISORY: Headteacher will review and then recommend whether to adopt following work on Staff Wellbeing strategy
12	Retention schedule and safe destruction of data IRMS	Governor hub annual review of school data and safe data destruction checklist and IRMS toolkit documentation discussed with the school. School can continue to check and record against data stored in school. The DPE record of processing tool will also include lawful basis for processing, risk and data retention. ADVISORY: School can access Governor Hub to download annual review of school data and safe data destruction checklist – Autumn 2019
12	DPIA	Discussed when one would be needed i.e. CCTV. DPE will be providing additional documentation on the Knowledge Bank. Risk management is also incorporated within the Record of Processing tool. School is considering moving to CPOMS for Safeguarding and SEND record keeping. ADVISORY: School to complete DPIA prior to introduction of CPOMS / contact DPE for advice and guidance
Item	Data mapping	Follow on actions/comments
1	Data mapping to support the Record of Processing (RoP) tool	As the DPE Record of Processing tool is being launched shortly, the school will wait for this to start data mapping and for record management. DPE have provided around 100 generic processes that can be mapped for each school with appropriate sub-processors. DPE will be completing webinars and remote sessions from September 2019 to support schools with the process.
		IT Provider details: NCC IT Solutions MIS Provider: Pupil Asset
Item	Technical measures	Follow on actions/comments
1	Website	ACTION: School to complete checks and cleanse to remove any old photos of leavers from the school website. Discussed photos of leavers and perspective etc.

2	Servers and back ups	School data is backed up to backup disks. Server is situated in a dedicated secure room. School is working towards cleansing information held on the serve. Suggested the school could, create an archive folder with restricted access. School to still complete a full data cleanse. IT provider can complete a search to identify outdated information. School align with retention schedule and only keep up to date images and photos/videos required for archiving and historical purposes. ACTION: School to check with IT Technician that backup disks are encrypted and that back-ups can be restored satisfactorily without any loss of data – Autumn 2019
3	Cyber essentials	Policy downloaded during visit. ADVISORY: School to request IT Technician completes Cyber Essentials Questionnaire – Autumn 2019
5	Laptops	All school laptops are encrypted ADVISORY: School to check with IT Technician that there is adequate encryption of laptops – Autumn 2019
6	iPad security	School has developed procedures to allow iPads to be accounted for – individual's responsibility; iPads security – Develop routines for accounting for devices. IT Technician to enable Find my iPad. ACTION: IT Technician to install software 'find my ipad' and 'return to factory settings' - ASAP please
Item	Personal data	Consent obtained
1	Pupil photographs	Latest DPE guidance documents discussed with the school.
2	Staff photographs	Latest DPE guidance documents discussed with the school.

ISSUES

Compliance Manager – cannot see report when uploaded - school to check with IT provider and inform DPE if it is a DPE issue.
