

Visit report: TPY2_01_Tacolneston_DPE_Visit.06.09.19 Time: 09.30		
Staff member: DPE: Stuart Lee/Linda Mortimer School: HT: Laura Green Office staff: Ria Durrant		
As this was the first week back from the summer break only a mini audit walk was completed. Laura confirmed there has been a cultural shift to how data is processed, stored and displayed in school. Laura takes the same approach with GDPR as is taken with Safeguarding. The main purpose of the visit was to review actions from previous reports and to talk/walk through many of the new features on the DPE website and additional recommended documentation. Main details of discussions are listed below.		
Item	Audit walk DPE website and training	Follow on actions/comments
1	Audit walk comments (including previous audits)	Mini walk completed during visit, detailed below: Reception/visitor signing in sheet: - The school has adopted a 2-tier system where the carbon copy is used for external staff. During the visit a parent was observed viewing entries of visitors. School to minimise data further by only having current week/day displayed and operate a closed book system where the visitor book is kept within the office. School to review in the future as to moving to a single system. Classrooms: - School now have lockable desks and are moving to a single cabinet system which will be in a central location that all sensitive data from classroom practitioners will be stored within. Staffroom pigeonholes: - Sensitive data is now hand delivered. Printer codes: - Not moved over to coded system. Still to review. Item has been added to the action plan. Medical room: - Care plans are no longer on general display. The school now have a front sheet that has the child's initial on it. Medical room is secure within the front office. Front office: - Lists where 'no consent' students are listed are on the wall but folded. Discussed different risks and whether these would be better placed in folders and stored appropriately. The school has assessed the risks and as there is limited access with the office being secured, the school are continuing with current system.

2	DPE website and best practice areas	DPE compliance checklists and updates to the website discussed. Recommended the school complete the compliance checklist initially (completed during visit). The checklists can be used to record and show GDPR progress to governors and support consultants during visits. Best practice areas, compliance manager uploading of documents and documentation discussed.
3	Staff training	Training has been completed by all staff.
	Policy/procedure	Follow on actions/comments
1	ICO registration	Registration expires in October 2019 and November 2019 for Morley. Went through registering a DPO process for both schools. Emails sent to ICO.
2	GDPR data protection policy	Completed and displayed on the school website.
3	GDPR privacy statement	Completed and displayed on the school website.
4	Breach procedure	Procedure completed. Online DPE Data Breach log will be used by the school.
5	SAR procedure and log	Procedure completed. DPE online SAR log will be used by the school.
6	Records management policy	Policy downloaded during visit. ADVISORY: Recommendation from DPE is the policy be adopted by the school. Consider adding to the school website.
7	Information classification policy	Policy downloaded during visit. ADVISORY: Recommendation from DPE is the policy be adopted by the school.
8	Consent forms	Latest DPE consent guidance documents downloaded during visit. ADVISORY: School to check against documentation currently used.
9	Clear desk policy	School has the option of adopting the DPE paperwork.
10	FOI Policy	Policy downloaded. Recommendation from DPE is the policy be adopted by the school. ADVISORY: School to check that it has a publication scheme.
11	Retention schedule and safe destruction of data	Governor hub annual review of school data and safe data destruction checklist and IRMS toolkit documentation discussed with the school. School can continue to check and record against data stored in school. The DPE record of processing tool will also include lawful basis for processing, risk and data retention.
Item	Data mapping	Follow on actions/comments
1	Data mapping to support the Record of	As the DPE Record of Processing tool is being launched shortly, the school will wait for this to start data mapping and for record management. DPE will be providing between 80 – 100 generic processes that can be mapped for each school with appropriate sub-processors.

	Processing (RoP) tool	DPE will be completing webinars and remote sessions from September 2019 to support schools with the process.
		IT Provider details: MIS Provider: Pupil Asset
Item	Technical measures	Follow on actions/comments
1	Website	School to complete checks and cleanse to remove any old photos of leavers from the school website.
2	Servers and back ups	Data backed up to the cloud.
3	Cyber essentials	Downloaded during visit. ACTION: Suggested IT technician completes.
Item	Personal data	Consent obtained
1	Pupil photographs	Latest DPE guidance documents downloaded and discussed with the school.
2	Staff photographs	Latest DPE guidance documents downloaded and discussed with the school.
