

VISIT NOTES – 6 SEPTEMBER 2019 WRENNINGHAM PRIMARY SCHOOL

Headteacher: Rob Jones
School Secretary: Nuria Sharp
DPE: S Lee and L Mortimer

No report was completed. School will have an additional visit (4 Nov) and support with compliance documentation. Notes from visit detailed below.

Introduction to the Best Practice Checklist

- School to complete the Commitment to Compliance Checklist (SL will help with this task).

Cyber essentials questionnaire

- School's IT support provider to complete Cyber Security Questionnaire. Completing this questionnaire will provide assurance that servers are secure, systems are backed-up and stored correctly and that anti-virus / malware is deployed on the school network.

Staff Training

- Recommended that key staff; Admin and Leadership Team complete E Learning course on GDPR, available on DPE website. Other staff would benefit from attending GDPR presentation.

Training Log

- This can be found on the DPE website;
- Go to Management / Manager Report – screen will show complete, or partially completed training.

School Website Compliance

- The school has GDPR Policy and Privacy Statement in place;
- DPE are working on a child friendly Privacy Statement and the school will be able to adopt.

ICO Recommendations

ICO recommends that the following policies/guidance are available on the school website:

- Freedom of Information publication scheme and policy

School to revisit and check the following procedures are in place:

- Data breach procedure
- Subject Access Requests
- Photo and Video Guidelines

DPE Recommendation

A consent withdrawal form to be included on school website

Advisory policies to consider (discussing with Karen on 31 Oct 219)

- Information Classification
- Record Management

Introduction to DPE Compliance Manager - where following is available:

- Reports
- Toolkit

- Checklists
- Standard Policies

Standard policies can be easily amended to reflect the school's practices

Compliance Manager

- All staff can be given permission to access with relevant permission level. Other standard documents can be entered onto this area of the DPE website such as Safeguarding Children in Education. An email will be sent to staff appearing on the staff list, requesting them to read the document/policy and to mark when completed. This can then be monitored by the Leadership Team.

Introduction to Record of Processing Tool

- This tool is currently being populated and will be presented at group cluster training on the 4.11.19 to be held in Wymondham

DPE Service Level Agreement

- This record can be found on the DPE website, showing visits, online support, telephone support and group support. This will prove that the school has achieved VFM and can be presented to Governors.

Further Support Visit

- The school would like to book a further visit, preferably AM on either a Tuesday, Wednesday or Thursday. **ACTIONED:** SL attending: 4 Nov 2019. A site walk will be scheduled for the additional visit.

Noted Risk

- ICT support is provided by an ex governor however there is no service level agreement or contract in place.

Recommend that the school:

- Investigate a standard template for a SLA noting cost, service response time, confidentiality clause, information sharing protocol, standard checks on organisation – DBS, Companies House, Insurance cover.

Observations

- Visitor signing-in book left open and on display at main reception.
