

Visit report: RPY2.01_RoydonPrimary_DPE_Visit.10.09.19 **Time:** 09.30

Staff member: DPE: Stuart Lee. **School:** Sarah Bradford

The school has now moved to the new building with building work still being completed which has been Sarah's main focus. The school has been completing a data cleanse as it moved to the new building. The new building has good storage in all areas with each classroom having lockable storage. The following report lists the main discussions and follow on actions, with the focus being:

- Work through the DPE online compliance checklist;
- Complete the Privacy statement/GDPR policy and display on the school website, preferably with a dedicated GDPR section;
- Ensure all staff have access to the procedure and understand the data breach reporting requirements;
- Upload staff to the DPE website to allow registering for the e-learning training and compliance manager;
- Key staff to complete e-learning training and then ensure all staff have some form of GDPR training;
- CCTV: Use the best practice CCTV area of the DPE website and policy statement, including contacting DPE for further advice and a DPIA if needed;
- IT provider to complete the Cyber essentials questionnaire.

Full report detailed below:

Item	Type	Follow on actions/comments
1	Audit walk	The school has adopted forename only for lists and displays and each classroom has lockable storage. CCTV is partly operational (details below); Front office to review the dual signing in system and if keeping, should operate a 'closed book' system, with any information older than a week archived.; The school is still in the process of moving everything to the new build. Good practice was observed during the walk with forename only being adopted for lists and displays.
2	DPE website and best practice areas	DPE compliance checklists and updates to the website discussed. Recommended the school complete the compliance checklist initially. The checklists can be used to record and show GDPR progress to governors and support consultants during visits. Best practice areas and documentation discussed and additional documents downloaded (detailed below).
3	Staff training	Sarah has completed module 1. ACTION POINT: School can initially: • Rollout to key staff and then all staff;

		• Add as part of induction process for new staff; • Consider the governor responsible for GDPR completing the training; • Use staff meetings/briefings to raise staff awareness.
4	Compliance manager	Demonstrated how reports can be uploaded and documentation read/reviewed by staff: DPE/Tools/Compliance manager.
	Policy/procedure	Follow on actions/comments
1	ICO registration	Completed: Updated the DPO details with the ICO during visit.
2	GDPR data protection policy	Currently being signed off (July 2019). Updated version to be added to the school website asap.
3	GDPR privacy statement	Completed other than adding third parties (refer to report 2): School to amend: <u>Who we share pupil data with</u> to include: • Suppliers that we have contracted with to provide educational services and those related to the operations of the school. For example: Pupil Asset the schools primary information management system (Please see Appendix 1 for full list of organisations that we share pupil information with).
4	Breach procedure	Online DPE Data Breach log can be used by the school. ACTION POINT: School to ensure staff understand the data breach procedure and that breaches/incidents are logged. DPE GDPR e-learning training will support this.
5	SAR procedure and log	DPE online SAR log can be used by the school. ACTION POINT: School to ensure key staff understand the SAR procedure.
6	Records management policy	Policy downloaded during visit. ADVISORY: Recommendation from DPE is the policy be adopted by the school. Consider adding to the school website.
7	Information classification policy	Policy downloaded during visit. ADVISORY: Recommendation from DPE is the policy be adopted by the school.
8	Consent forms	Latest DPE consent documents downloaded during visit.
9	Clear desk policy	ADVISORY: School has the option of adopting for the school.
10	Retention schedule and safe destruction of data	Governor hub annual review of school data and safe data destruction checklist and IRMS toolkit documentation discussed with the school. School can continue to check and record against data stored in school. The DPE record of processing tool will also include lawful basis for processing, risk and data retention.
11	DPIA	Discussed when one might be needed i.e. CCTV. TO contact DPE for further advise/training as needed.
12	CCTV	Advised to check documentation and DPE best practice area: https://kb.dataprotection.education/index.php/best-practice-library/best-practice/cctv
Item	Data mapping	Follow on actions/comments
1	Data mapping to support the Record of Processing (RoP) tool	As the DPE Record of Processing tool is being launched shortly, the school will wait for this to start data mapping and for record management.

		DPE will be completing webinars and workshops from September 2019 to support schools with the process.
		IT Provider details: JC COMMTEC MIS Provider: Pupil Asset
Item	Technical measures	Follow on actions/comments
1	Website	School to complete checks and cleanse to remove any old photos of leavers from the school website. Ongoing process.
2	Servers and back ups	School data is backed up to the cloud. Server secured in its own IT room.
3	Cyber essentials	Downloaded. ADVISORY: suggested IT provider completes.
4	iPad security	School has developed procedures to allow iPads to be accounted for daily
Item	Personal data	Consent obtained
1	Pupil photographs	Latest DPE guidance documents discussed with the school.
2	Staff photographs	Latest DPE guidance documents discussed with the school.
