

Visit report: TPY2_01_TrowsePrimary_DPE_Visit.18.09.19 Time: 09.30		
Staff member: DPE: Stuart Lee. School: Stuart Odell		
Trowse Primary is a small primary school on the edge of Norwich. The school is moving to a new site in 2020 and also moving to cloud based solutions (Office365). The headteacher and staff are aware of their responsibilities and with a new school building imminent, need to juggle compliance with costs i.e. purchasing additional secure storage for classrooms when the new build will have these.		
Item	DPE audit reports, website and training	Follow on actions/comments
1	Audit walk comments (including previous audits)	Continue to work through actions from previous reports.
2	DPE website and best practice areas	DPE best practice areas, compliance checklists, SLAs and compliance manager discussed/demonstrated with the school. Recommended the school complete the compliance checklist initially. The checklists can be used to record and show GDPR progress to governors and support consultants during visits.
3	Staff training	DPE has e-learning modules that are part of the schools subscription. Training is in the process of being completed and staff have been set up. SO had a query as to whether the email could be reissued. ACTION POINT: DPE website>Management>Staff list> select reset password. School will then consider: • Rollout to key staff and then consider all staff; to complete; • Add as part of induction process for new staff; • Consider the governor responsible for GDPR completing the training; • Use staff meetings/briefings to raise staff awareness.
	Compliance manager	Demonstrated how reports can be uploaded and documentation read/reviewed by staff: DPE/Tools/Compliance Manager. Query as to whether the Compliance Manager alerts people when there is a document to be reviewed. SL can confirm that when staff are assigned a document, they will receive an email.
