

Visit report: APY2_01_AshillPrimary_DPE_Visit.18.09.19 **Time:** 13.30

Staff member: DPE: Stuart Lee. **School:** Steve Creasey (HT) and Helen Blaver (office administrator)

The meeting took place with Steve (HT) and Helen (admin). Steve explained that there had been a cultural shift as to how data was processed, stored and handled in school with staff much more aware of their responsibilities. All laptops are now encrypted and there has been a ban on memory sticks. The school continues its move to utilising cloud-based solutions.

Extensive building work was being completed at the time of the visit. The school is aware of areas to improve security; headteachers office; classrooms requiring additional storage and completing staff training. The school have contract cleaners (NORSE).

1	Audit walk comments (including previous audits)	An afterschool walk was completed which proved useful. The school is to continue to work through previous report actions and Steve is also going to encourage staff to self-regulate and get staff to identify their own areas for improvement. Observations from the afterschool walk are detailed below: Reception/signing in: The old signing in system still used. Data is minimised and the school operates a closed book system. We discussed how PII information can still be obtained and Steve is going to investigate alternative options. Details below: • Examples of electronic system being trialled at another school (I have not researched software at present): https://www.digigreet.com/ • https://inventry.co.uk/ • VPASS.IO http://vpass.io/compliance-security/ (Mulbaton use this system) • Other examples of carbon copy confidential visitor signing in: • https://www.amazon.co.uk/Cherry-Carbonless-Confidential-Visitor-Duplicate/dp/B07DX9RT58 • www.thecardnetwork.co.uk/visitor-management/visitor-contractor-reception-passes/school-visitor-passes.html Front office: • Improve security further by limiting access to when staff are present. Items observed: hospital letter. Office has key code entry. HT office: • Building work taking place next to Steve's office. Steve aware of risks and will be purchasing secure storage and limiting data on display. Window unlocked - staffroom: • Send reminder to staff.

		Staffroom (care plans): - Initiated during visit adding the care plan/medical to a folder/covered rather than being on general display. Classrooms: - Ascertained classrooms would benefit from additional storage. In general, good practice observed: folder systems used; forename only predominantly adopted across school. Items observed in classrooms during walk: - Folders with outdated information (leavers); - Lists with full name; - Behaviour folders and concern notes
2	DPE website and best practice areas	DPE best practice areas, compliance checklists, SLAs and compliance manager discussed/demonstrated with the school. Recommended the school complete the compliance checklist initially (completed during visit). The checklists can be used to record and show GDPR progress to governors and support consultants during visits.
3	Staff training	DPE has e-learning modules that are part of the school's subscription. Training has been completed by Helen but not all staff. ACTION: - Rollout to key staff and then consider all staff; - Add as part of induction process for new staff; - Consider the governor responsible for GDPR completing the training; - Continue to use staff meetings/briefings to raise staff awareness.
	Compliance manager	Demonstrated how reports can be uploaded and documentation read/reviewed by staff: DPE/Tools/Compliance manager.
