

Visit report: PPY2_01_PulhamPrimary_DPE_Visit.19.09.19 Time: 09.30		
Staff member: DPE: Stuart Lee. School: Simone Goddard (HT), Karen Rix (SBM)		
Next visit: 10 December 2019		
The meeting was attended by Karen (SBM) and Simone (HT). The school were concerned they were not progressing with GDPR but it was evident that good progress with the GDPR project had already been made with all the main GDPR policies and procedures being completed. As it was early in the term, no walk was completed. Staff had completed GDPR awareness training but had not completed DPE GDPR e-learning training.		
Item	Audit walks, DPE website and training	Follow on actions/comments
1	Audit walk comments (including previous audits)	School Walk: No walk was completed during the visit. TO ACTION: Complete outstanding actions from the previous report walks with the focus being: • Utilise the schools MIS system to reduce the need for lists and displays in the front office; • Add key code entry to the front office; • Add the student details folder to secure storage at night; • Check encryption of laptops; • Raise staff awareness and register staff for e-learning training; • Encourage staff to self-regulate and check own work areas for outdated and/or sensitive information; • Develop end of day/weekly routines for iPads.
2	DPE website and best practice areas	DPE best practice areas, compliance checklists, SLAs and compliance manager discussed/demonstrated with the school. Recommended the school complete the compliance checklist initially (completed during visit). The checklists can be used to record and show GDPR progress to governors and support consultants during visits;
3	Compliance manager	Demonstrated how reports can be uploaded and documentation read/reviewed by staff: DPE/Tools/Compliance manager.
4	Staff training	DPE has e-learning modules that are part of the school's subscription. TO ACTION: Suggested the school: • Rollout to key staff and then all staff; • Add as part of induction process for new staff; • Consider the governor responsible for GDPR completing the training; • Use staff meetings/briefings to raise staff awareness which will support the school move from 'telling' staff to staff 'doing' and self-regulating.
	Policy/procedure	Follow on actions/comments
1	ICO registration	School was already registered but did not have DPE as the named DPO. SL supported the school with sending an email to the ICO to register. Completed.

2	GDPR data protection policy	Completed. ACTION: Remove: Stuart Lee as the named DPO and replace with: Data Protection Education Ltd
3	GDPR privacy statement	Completed. ACTION: Remove: Stuart Lee as the named DPO and replace with: Data Protection Education Ltd
4	Breach procedure	Procedure completed. Online DPE Data Breach log can be used by the school. ACTION: School to ensure staff understand the data breach procedure and that breaches/incidents are logged. DPE GDPR e-learning training will support this.
5	SAR procedure and log	Procedure completed. DPE online SAR log can be used by the school – demonstrated during visit.
6	Records management policy	Policy completed. ADVISORY: Consider adding to the school website.
7	Information classification policy	Policy downloaded during visit. ADVISORY: Recommendation from DPE is the policy be adopted by the school.
8	Consent forms	Latest DPE consent documents downloaded during visit. ADVISORY: School to check against documentation currently used.
9	Clear desk policy	School downloaded during visit. A decision will be made as to adopting the policy and referencing with the staff handbook or adding a section to the staff handbook.
10	Work way from school policy	School downloaded during visit. A decision will be made as to adopting the policy and referencing with the staff handbook or adding a section to the staff handbook.
11	Password policy	School downloaded during visit. Discussed whether it would be beneficial for the school's SBM and headteacher to have a password manager such as True Key. Discussed the risks of writing down and keeping secure with a separate list of all websites where password reset would be required, if the current system was compromised.
12	FOI Policy	Completed.
13	DPIA	Discussed when one would be needed i.e. CPOMS and Office365. To contact dpo@ for advice. Record of processing will also support risk management.
Item	Data mapping	Follow on actions/comments
1	Data mapping to support the Record of Processing (RoP) tool	As the DPE Record of Processing tool is being launched shortly, the school will wait for this to start data mapping and for record management. DPE will be providing between 80 – 100 generic processes that can be mapped for each school with appropriate sub-processors. DPE will be completing webinars and remote sessions from September 2019 to support schools with the process.
2	GDPRiS	Recommended that as the school is in a 3 year contract to continue to use and keep updated to support third party compliance.
