

VISIT NOTES – 6 SEPTEMBER and 4 November 2019 WRENINGHAM PRIMARY SCHOOL

Attendees:

- Headteacher: Rob Jones
- School Secretary: Nuria Sharp
- DPE: S Lee and L Mortimer (6/9)

No internal audit walks were completed during the visits. The first visit was at the start of term and included giving an overview of the DPE website and new features. From the initial visit an additional visit (4 Nov) was arranged. This was to support with the completion of compliance documentation. Notes from visit(s) are detailed below:

The following actions were completed/reviewed (4/11 visit):

- Updated privacy statement and added third parties as an appendix (list can be used to update GDPRiS) - **school to get signed off and uploaded to the school website;**
- Reviewed GDPR policy;
- Data breach procedure downloaded and completed – **school to disseminate to all staff;**
- SAR procedure downloaded and completed – **school to disseminate to key staff;**
- ICO registration – added DPE as the named DPO;
- Demonstrated the breach log, SAR log and compliance checklists;
- Signposted school to additional documentation;
- Demonstrated e-learning training registration;
- Downloaded GDPR best practice posters.

Governance:

- School to appoint a governor for GDPR and add as an item at governor meetings;
- Consider the governor responsible for GDPR completing the e-learning training.

Staff Training

- Recommended that key staff; Admin and the Leadership Team complete GDPR e-learning modules on the DPE website. Then consider all staff to complete;
- School to update staff at the next staff briefing as to the data breach procedure, including how to report a data breach;
- School downloaded the best practice guide and will display around school to raise staff awareness.

Cyber essentials questionnaire and technical security

- School's IT support provider to complete Cyber Security Questionnaire. Completing this questionnaire will provide assurance that servers are secure, systems are backed-up and stored correctly and that anti-virus / malware is deployed on the school network (attached);

Noted ICT Risk:

- ICT support is provided by an ex-governor however there is no service level agreement or contract in place. **Recommend that the school:** Investigate a standard template for an SLA noting cost, service response time, confidentiality clause, information sharing protocol, standard checks on organisation – DBS, Companies House, Insurance cover.

Consent

A consent withdrawal form to be included on school website (consent guidance attached).

Advisory policies to consider (discussing with Karen Hurst on 31/10 – 04/11)

- Information Classification
- Record Management
- Work away from school
- Clear desk and screen

Compliance Manager

- All staff can be given permission to access with relevant permission level. Other standard documents can be entered onto this area of the DPE website such as Safeguarding Children in Education. An email will be sent to staff appearing on the staff list, requesting them to read the document/policy and to mark when completed. This can then be monitored by the Leadership Team.

Introduction to Record of Processing Tool (data mapping)

- This tool is currently being populated and will be presented at group cluster training on the 4.11.19 to be held in Wymondham

Observations

- Visitor signing-in book left open and on display at main reception.
