-

Governance:

- School to appoint a governor for GDPR and add as an item at governor meetings;
- Consider the governor responsible for GDPR completing the e-learning training.

Staff Training

- Recommended that key staff; Admin and the Leadership Team complete GDPR e-learning modules on the DPE website. Then consider all staff to complete;
- School to update staff at the next staff briefing as to the data breach procedure, including how to report a data breach;
- School downloaded the best practice guide and will display around school to raise staff awareness.

Cyber essentials questionnaire and technical security

- School's IT support provider to complete Cyber Security Questionnaire. Completing this questionnaire will provide assurance that servers are secure, systems are backed-up and stored correctly and that anti-virus / malware is deployed on the school network (attached);

The school has a FOI policy and Publication Scheme

School has a publication scheme. School to check if this is detailed enough. Details below:

Advisory policies to consider

- Information Classification
- Record Management
- Work away from school
- Clear desk and screen

Compliance Manager

- All staff can be given permission to access with relevant permission level. Other standard documents can be entered onto this area of the DPE website such as Safeguarding Children in Education. An email will be sent to staff appearing on the staff list, requesting them to read the document/policy and to mark when completed. This can then be monitored by the Leadership Team.

Introduction to Record of Processing Tool (data mapping)

- This tool is currently being populated with more information to follow.

Risks identified:

- School has a school photographer Tempest but have a parent who takes photos for events. School has a verbal agreement. School should formalise the arrangements and get this documented.
- Website: parent who maintains the school website. Discussed formalising arrangements via an appropriate contract/agreement; School to still complete a full data cleanse to remove outdated information.
- Visitor signing-in book left open and on display at main reception (refer to previous reports).
- iPads: School to develop procedure. Liaise with IT provider to ensure that iPads can be wiped if lost or stolen: [Erase your device](#)
