2	DPE website and best practice areas	DPE best practice areas, compliance checklists, SLAs and compliance manager discussed/demonstrated with the school. At time of visit the school started to complete various checklists. The checklists can be used to record and show GDPR progress to governors and support consultants during visits
3	Staff training	ACTION: Leadership Team to review and complete checklists – Autumn Term 2019 DPE has e-learning modules that are part of the school's subscription and training has been completed with the exception of 1 member of staff – please complete by end of Autumn Term 2019 GDPR training is now included in the induction process for new staff

		Note: Bite size training on SARs and Breaches will be available soon – notified via ‘news’ tab on the DPE website. ACTION: School to ensure that new staff receive GDPR training – Autumn Term 2019
4	Compliance manager	School is aware how reports can be uploaded and documentation read/reviewed by staff: DPE/Tools/Compliance manager. ADVISORY: If required, the school can upload staff list in Compliance Manager to enable the management overview of key documents/policies being ‘read and understood’ by the assigned staff
	Policy/procedure	Follow on actions/comments
1	ICO registration	Z5079647 Expires 19.10.20. School is registered with ICO and has DPE as the named DPO.
2	GDPR data protection policy	The school has Data Protection Education as the named DPO on their Data Protection Policy.
3	GDPR privacy statement	The school has Data Protection Education as the named DPO on their Data Protection Policy. The school is currently reviewing its list of third party providers and will amend the Privacy Statement accordingly.
4	Breach procedure	Procedure completed. The school will use the online DPE Data Breach log to record centrally. The data breach procedure is communicated to staff and staff understand the data breach procedure and that breaches/incidents are logged. Explanation provided for new heading on Data Breach notification – Breaches received.
5	SAR procedure and log	No SARs have been received to date. The school will notify DPE and record centrally on the DPE SAR log should one be received.
6	Records management policy	The school has downloaded the DPE model policy and is on the website.
7	Information classification policy	Adopted Information Classification Policy and is on the website.
8	Consent forms	Latest DPE consent forms will be checked against school consent forms. ADVISORY: School to check against documentation currently used – Autumn 2019
9	Clear desk policy	Governors have reviewed this policy and feel that this is not the right time to introduce. This will kept under review.
10	FOI Policy	School has adopted DPE model policy.
11	Work away from school policy	School has adopted DPE model policy.
12	Retention schedule and safe destruction of data	Governor hub annual review of school data and safe data destruction checklist and IRMS toolkit documentation discussed with the school. School can continue to check and record against data stored in school. The DPE record of processing tool will also include lawful basis for processing, risk and data retention.

		The school currently uses the IRMS toolkit
12	DPIA	Discussed when a DPIA would be needed i.e. installation of CCTV, introduction of systems such as CPOMS for safeguarding. DPE will be providing additional documentation on the Knowledge Bank. Risk management is also incorporated within the Record of Processing tool.
Item	Data mapping	Follow on actions/comments
1	Data mapping to support the Record of Processing (RoP) tool	As the DPE Record of Processing tool is being launched shortly, the school will wait for this to start data mapping and for record management. DPE have provided around 100 generic processes that can be mapped for each school with appropriate sub-processes. DPE will be completing webinars and remote sessions from Autumn 2019 to support schools with the process.
