

Visit report: StAY2.01_ST ANDREWS SCHOOL _DPE_Visit. 05.11.19 **Time:** 9.30 – 12.30

Aylmerton Hall, Holt Road, Aylmerton, Norfolk NR11 8QA - 01263 837927

Staff member: DPE: Linda Mortimer **School: St Andrews** **Headteacher: Carol Keable / Julie Jackson – Business Manager and GDPR Lead**

St Andrew's school is in rural Norfolk and provides specialist teaching for students with autism, communication difficulties and autism spectrum disorder (ASD). Currently the NOR is 43 with an age range from Year 1 – Year 11. The delivery of teaching and learning is tailored to the needs of the students with each student having their own workstation.

Item	DPE website	Follow on actions/comments
1	Audit walk comments 5.11.19	There is much good practice evident throughout the school and security throughout the site is very good with key fob access to all areas. The school has a locked archive room with restricted key fob access. The following actions were identified at the time of the visit: Trustees to nominate a trustee responsible for GDPR oversight – Headteacher will take to next board meeting at end of Nov 2019. School Reception Due to the special nature of provision all visitors are closely monitored There are sign-in sheets located in separate areas of Reception; Visitors, Staff and Students School to be aware that visitors do not note the name of any student they are visiting – this is closely monitored by school staff. School to signpost visitors to the school's Privacy Notice – which can be found on the website. Staff Photos & Personally Identifiable Information (PII) Staff photos on display with job title and full name, staff have given verbal consent. DPE do recommend that schools should use the minimum amount of personally identifiable information (PII) for general display, therefore the school could choose to amend to using either first name or surname alongside the staff photo, but it is a school decision. The school letterhead has the headteacher's full name and qualifications – DPE recommend that the minimum PII is shown, however this is very common practice and this information can be easily found in the public domain, therefore it is a school decision whether to change the format of their letterhead. Classrooms KS2A - Some coat pegs have full names – please amend to first name only.

		KS2B – Student Care Plans on display – removed at time of visit. Care Plans to be kept in folders in lockable cupboard. Some work has first name and surname – please revert to first name only. Year 10 – Student birth dates on display – amend to student name and month of the year where birthday falls. Year 9 – IEP on display at each student work station showing individual targets. Remove student surname from IEP – amended at time of visit. Staffroom Details of a Court Order and parental access on display – removed at time of visit. Keep in a folder in locked cabinet. Student care plans on display – removed at time of visit. Keep in a folder in a locked cabinet. Offices DSL office – Only very limited access via key but there were student assessment records on a desk top. Ensure such records are locked away at end of day.
2	DPE website and best practice areas	DPE best practice areas, compliance checklists, SLAs and compliance manager discussed/demonstrated with the school. At time of visit the school started to complete various checklists. The checklists can be used to record and show GDPR progress to trustees and support consultants during visits.
3	Staff training	ACTION: Leadership Team to review and complete checklists – Autumn Term 2019 DPE has e-learning modules that are part of the school's subscription and training for the majority of staff has been completed. GDPR training is embedded in staff induction programme.
4	Compliance manager	Note: Bite size training on SARs and Breaches will be available soon – notified via 'news' tab on the DPE website. Reports can be uploaded and documentation read/reviewed by staff: DPE/Tools/Compliance manager. ADVISORY: If required, the school can upload staff list in Compliance Manager to enable the management overview of key documents/policies being 'read and understood' by the assigned staff.
	Policy/procedure	Follow on actions/comments
1	ICO registration	Z6811058 Expires 19.6.10 - St Andrew's School is already registered with ICO but does not have DPE as the named DPO. The school has emailed ICO to amend the registration.
2	GDPR data protection policy	The school has to amend GDPR Policy to reflect Data Protection Education as the named DPO.
3	GDPR privacy statement	The school has its own Privacy Statement relating to their website. School will use the DPE model policy as this includes the details required by the ICO.

		ACTION: School to consider adopting the model DPE Privacy Statement and include detailed list of third parties with whom the school shares data – Autumn 2019
4	Breach procedure	No breaches logged on DPE portal. In the event of a breach DPE suggest that the school use the DPE Data Breach log. The data breach procedure is communicated to staff and staff understand the data breach procedure and that breaches/incidents are logged. Explanation provided for new heading on Data Breach notification – Breaches received.
5	SAR procedure and log	No SARs logged on DPE portal. In the event of a SAR, DPE suggest that the school use the DPE SAR log. The school is aware of the SAR procedure.
6	Records management policy	Policy downloaded during visit. ADVISORY: Recommendation from DPE is the policy be adopted by the school. Consider adding to the school website – Autumn 2019
7	Information classification policy	Policy to be downloaded following visit. ADVISORY: Recommendation from DPE is the policy be adopted by the school – Autumn 2019
8	Consent forms	Latest DPE consent documents to be downloaded following visit. ADVISORY: School to check against documentation currently used – Autumn 2019
9	Clear desk policy	Policy to be downloaded following visit. ADVISORY: Recommended the policy is adopted by the school – Autumn 2019
10	FOI Policy	Policy to be downloaded following visit. ADVISORY: Recommendation from DPE is the policy be adopted by the school – Autumn 2019
11	Work away from school policy	Policy to be downloaded following visit.
12	Retention schedule and safe destruction of data	Governor hub annual review of school data and safe data destruction checklist and IRMS toolkit documentation discussed with the school. School can continue to check and record against data stored in school. The DPE record of processing tool will also include lawful basis for processing, risk and data retention. ADVISORY: School access Governor Hub to download the above – Autumn 2019
12	DPIA	Discussed when one would be needed i.e. CCTV. DPE will be providing additional documentation on the Knowledge Bank. Risk management is also incorporated within the Record of Processing tool.
Item	Data mapping	Follow on actions/comments

1	Data mapping to support the Record of Processing (RoP) tool	As the DPE Record of Processing tool is being launched shortly, the school will wait for this to start data mapping and for record management. DPE have provided around 100 generic processes that can be mapped for each school with appropriate sub-processes. DPE will be completing webinars and remote sessions from September 2019 to support schools with the process.
		IT Provider details: Advantage Technology MIS Provider: EDUSPOT
Item	Technical measures	Follow on actions/comments
1	Website	The school has taken the management decision not to publish student or staff images on the school website.
2	Servers and back ups	School data is backed up to the cloud/backup disk and managed by Ad Tech. The school changes back up disks daily and they are kept in fire proof safe. The main school server is situated in a server room which is locked; Ad Tech have procedure in place for annual data cleanse. There are mini data cleanse routines performed at the time of any significant change to the network. The school observes an effective retention schedule and only keep up to date images and photos/videos required for archiving and historical purposes. School has an archive room which has limited access by school LT team.
3	Cyber essentials	Policy downloaded during visit. Recommend IT provider completes. ADVISORY: School to request IT Technician completes Cyber Essentials Questionnaire – Autumn 2019.
4	Cloud computing	School is using One Drive – used for variety of reasons such as resource sharing.
5	Laptops	All school laptops are regularly accounted for. They are encrypted and password protected and kept in locked cabinet.
6	iPad security	School iPads are accounted for daily iPads have secure codes to gain access. Find my iPad is enabled Return to factory setting is installed Separate software; Meraki is installed to monitor usage across the school
