Staff member: DPE: Stuart Lee. Federation: Mark Macullum (SBM) and Maxine MCGarr (HT)		
Audit and walk comments		
It was agreed that a walk would be completed at All Saints and the federation would continue to communicate best practice to staff across the federation. The federation can also use the previous report and best practice guide to support this: https://kb.dataprotection.education/best-practice-library/documents/drip-feeds/57-dpe-quick-reference-guide Refer to report: 12/12/19 for current outstanding audit walk actions/comments. Additional comments from the All Saints walk 18/11 are detailed below: Offices – additional security: ADVISORY: Discussed the front office, heads/SBM office and staffroom benefiting by having keycode entry; - Consider a reshuffle to move data to available storage and/or consider purchasing additional lockable cabinets due to the nature of files and data that could be on display (Tambour style – sliding doors are becoming standard in many schools for ease of use and practicality). Front office: - Folders with student summary sheets/contact on display. ADVISORY: Consider adding to secure storage at the end of the school day and add key code entry for the office. - Monitor display: ACTION POINT: Check that the monitor cannot be viewed by parents/visitors. If so, adjust the screen away from the visitor hatch. Classrooms: - Folders that contained sensitive data. ACTION POINT: Reminder to staff to secure at night; promote across the federation best practice: https://kb.dataprotection.education/best-practice-library/documents/drip-feeds/57-dpe-quick-reference-guide 1 x memory stick observed attached to laptop: ACTION POINT: Mark/Maxine to check what data is contained on the memory stick and reminder to staff member as memory sticks have been banned. 1 x unlocked laptop: Reminder to staff to lock laptops when away from work area (short cut:  windows + L). Staffroom: - Care plans on display (turned to face the wall). ADVISORY: Federation to review practice; - Pigeonholes. ADVISORY: reminder to staff to regularly check and remove outdated information.		
Item	DPE website, training and governance	Follow on actions/comments
1	DPE website and best practice areas	DPE best practice areas, compliance checklists, SLAs and compliance manager discussed/demonstrated with the federation. Recommended the federation complete the compliance checklist initially. The checklists can be used to record and show GDPR progress to governors and support consultants during visits. Signposted the federation to the compliance

		documentation that can be looked at once the key documentation has been completed. Specifically: work away from school, clear desk, record management and data classification documentation.
2	Staff training	DPE has e-learning modules that are part of the federations subscription. Training has been completed internally. ADVISORY: - Consider key staff completing the online training; - Add as part of the induction process for new staff; - Consider the governor responsible for GDPR completing the training; - Use staff meetings/briefings to raise staff awareness.
3	Governance	Federation confirmed that GDPR is reported at governor level.
Item	Policy/procedure	Follow on actions/comments
1	ICO registration	The federation schools were already registered but did not have DPE as the named DPO. ACTIONED: Supported the federation with sending an email to the ICO to register.
2	Key GDPR documents	GDPR Policy – updated during visit. ACTION POINT: Federation to get signed off by governors; Privacy Notice – Third parties updated. ACTION POINT: SL to add logo, amend and send to Mark. Federation to get signed off by governors; Data breach procedure – updated during visit. ACTION POINT: Federation to disseminate and ensure all staff understand the data breach procedure; SAR Procedure – updated during visit. ACTION POINT: Disseminate to key staff.
3	FOI Policy and publication scheme	ADVISORY: Federation to check if they have a publication scheme: https://ico.org.uk/media/for-organisations/documents/1242/how-to-complete-template-guide-to-info-for-schools.pdf Examples of a school publication scheme: http://d6vsczyu1rky0.cloudfront.net/38206_b/wp-content/uploads/2018/05/Freedom-of-Information-publication-scheme-2018-template-V32017.pdf The federation also has the option of adopting the DPE FOI policy (guide attached).
4	Retention schedule and safe destruction of data	Governor hub annual review of school data and safe data destruction checklist (attached) and IRMS toolkit documentation discussed with the federation. The federation can continue to check and record against data stored in the federation schools. The DPE record of processing tool will also include lawful basis for processing, risk and data retention. Guidance can be obtained from the DfE and IRMS toolkits: https://c.ymcdn.com/sites/irms.site-ym.com/resource/collection/8BCEF755-0353-4F66-9877-CCDA4BFEEAC4/2016_IRMS_Toolkit_for_Schools_v5_Master.pdf https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/747620/Data_Protection_Toolkit_for_Schools_OpenBeta.pdf (Annex 5,1)

5	DPIA	Discussed when one would be needed i.e. CPOMS. DPE will be providing additional documentation on the Knowledge Bank. Risk management is also incorporated within the Record of Processing tool. Prior to any significant change to working practices a DPIA should be completed. DPIAs offer a risk assessment template where concerns can be noted alongside mitigating actions to reduce the overall risks related to change of practice. Example DPIA template: https://ico.org.uk/media/about-the-ico/consultations/2258461/dpia-template-v04-post-comms-review-20180308.pdf
Item	Data mapping	Follow on actions/comments
1	Data mapping to support the Record of Processing (RoP) tool	As the DPE Record of Processing tool is being launched shortly, the federation will wait for this to start data mapping and for record management. DPE have provided around 100 generic processes that can be mapped for each school with appropriate sub-processors. DPE will be completing webinars and remote sessions to support schools with the process. Additional data mapping guidance can be obtained from the DfE toolkit: https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/747620/Data_Protection_Toolkit_for_Schools_OpenBeta.pdf
