1	Visit report(s)	The school and headteacher have a proactive approach to GDPR which was evident when speaking with staff. Actions from the previous visit have either been completed or are in the process of. This visit included an afterschool walk which was useful for the school in identifying areas to be aware of and end of day routines that may need addressing: Reception: • Monitor: Consider a privacy screen as the monitor can be viewed from the visitor's hatch; • Add information at reception to inform visitors where they can access the school's privacy statement from i.e. school website SEN Office: • Reminder to staff to lock door (key coded door between SEN and Premises office) when not present, due to the nature of sensitive files and data that could be on display. Classroom Y6: • 1 x unlocked laptop; • Test results and schemes with full names; • Reshuffle and data cleanse should be considered. Classroom Y5: • 1 x unlocked laptop; • 1 x cabinet with key in lock. Classroom Y2: • 1 x allergy list on display – is this needed? Removed during visit. Classroom Y3 • KS2 assessment, trips and medical folder on display; • Spelling tests/assessment data easily assessable; • Key left where it was easily assessable and where we could gain entry to cabinets. Draft teacher compliance guide attached with report.

2	DPE website and best practice areas	DPE compliance checklists and updates to the website discussed. Recommended the school complete the compliance checklist initially. The checklists can be used to record and show GDPR progress to governors and support consultants during visits. Best practice areas and documentation discussed.
3	Staff training	Mel to follow up with staff who have still not completed for September Inset; - Consider the governor responsible for GDPR completing the training; - Continue to use staff meetings/briefings to raise staff awareness.
