

Visit report: DFY2.01_DoveFederation_DPE_Visit.23.09.19 Time: 09.30		
Schools visited: Parkers Primary and Caston		
Staff member: DPE: Stuart Lee/Linda Mortimer. School: Headteacher: Sarah Disney and Business Manager: Clair Greenacre		
The Dove Federation consist of 2 schools: Parkers (NOR 95) CE VA Primary and Caston (NOR 67) CE VA Primary schools. Parkers is in Special Measures, Caston currently Good. The Headteacher started working at the Dove Federation in September 2019. Prior to this date the Headteacher worked in a primary school with good GDPR practice in place. As a result, the Headteacher recognises the need to move the Dove Federation forward in its understanding and practice relating to GDPR and achieving compliance. The Headteacher is making good progress to achieve this; all staff have taken part in GDPR online training, risks have been identified in current practice and steps have been taken to mitigate them to an acceptable level. The Federation's Privacy Statement has been updated with all third-party information, the GDPR policy has been reviewed and will be presented to Governors. The Data Breach and Subject Access Request procedures were explained and completed during the visit. Information relating to Data Breach will be shared with all staff and there will be a clear procedure for notification of such a breach. The Best Practice Checklist was reviewed and the current status noted. This is a useful report to demonstrate to Governors the Federation's progress in compliance with GDPR.		
Item	Audit walks, DPE website and training	Follow on actions/comments
1	Audit walk comments (including previous audits)	A full site walk did not take place. The Federation are to continue to work through the previous report main actions. Comments from discussions are detailed below: Sensitive files in office: - SL recommend that Pupil Asset, SEND data and reports on open display are kept in a locked cabinet. A useful link to a company where secondhand cabinets can be purchased is: www.officeew.co.uk Visitor signing in system: School still uses a book system which is being reviewed. Various visitor signing in systems the Federation could consider (recommendation from previous report) are detailed below: Electronic systems: https://www.digigreet.com/ https://inventory.co.uk/ VPASS.IO http://vpass.io/compliance-security/ (Mulbarton use this system) Carbon copy confidential visitor signing in the federation could consider:

		• https://www.amazon.co.uk/Cherry-Carbonless-Confidential-Visitor-Duplicate/dp/B07DX9RT58 • www.thecardnetwork.co.uk/visitor-management/visitor-contractor-reception-passes/school-visitor-passes.htm Display of Student Full Name: • Where there is a T&L justification – full name can be used but must assess the risks – could put name on flash cards which can be put away at night. First names and birthdays: • Minimisation of data and suggest a photo of the child against the month of the year. Teacher can keep a list, but this should be stored securely. School Trips: • It's OK to give teacher in charge of trip parents contact details but these must be shredded at the end of the trip. School should have a documented procedure.
2	DPE website and best practice areas	DPE best practice areas, compliance checklists, SLAs and compliance manager discussed/demonstrated with the school. Recommended the school complete the compliance checklist initially. The checklists can be used to record and show GDPR progress to governors and support consultants during visits.
3	Staff training	DPE has e-learning modules that are included in the schools subscription. DPE online training has only been completed by the Headteacher; All other school staff have received online training provided by the School Bus at September 2019 INSET SL suggests that all staff could complete DPE online training. School to consider: • Rollout to key staff and then consider all staff; • Add online training as part of induction process for new staff; • Consider the governor responsible for GDPR completing the training; • Use staff meetings/briefings to raise staff awareness. Training Developments: Bite size training is being developed re; SARs and Data Breach – available soon ACTION: School to timeline key staff for completing DPE online GDPR training within the next 12 months
3	Compliance Manager	Demonstrated how reports can be uploaded and documentation read/reviewed by staff: DPE/Tools/Compliance manager. All audit reports will now be uploaded to Compliance Manager. The school will receive a notification once a report/document has been uploaded.

		This is a very useful tool which can be used for the distribution of other key documents such as Safeguarding Children in Schools, Staff Handbook and Whistleblowing Policy
	Policy/procedure	Follow on actions/comments
1	ICO registration	Caston and Parkers can be registered as a single Federation under the ICO and as a result SL sent an email requesting that the ICO make this amendment with the name of the Dove Federation. SL also requested that the ICO register Data Protection Education as the named DPO for the Dove Federation. School had already had correspondence from James England to confirm this.
2	GDPR data protection policy	Draft GDPR policy in place. Awaiting sign off from governors.
3	GDPR privacy statement	Completed during visit. School to amend: <u>Who we share pupil data with</u> to include: Suppliers that we have contracted with to provide educational services and those related to the operations of the school. For example: Pupil Asset the schools primary information management system (Please see Appendix 1 for full list of organisations that we share pupil information with). SL completed the Data Privacy Notice and reviewed the Federation's third parties which were added as an appendix: NCC / DfE / FFT / ICT Shared Serices / Norfolk Music Service / Premier Sport / Google / E4 Education Website / Tapestry / NHS / Hamilton (Teaching Resources) / Phonics Play / School Bus / Pupil Asset / Cool Milk / Vertas / Norse / Aspire PE / Sheringham Teaching School / Braiswick Photographers / School Trends (Uniform) ACTION: Governors need to sign off Privacy Statement and then upload to school website ACTION: Check that ASP is provided by the DfE
4	Breach procedure	Data Breach procedure downloaded from DPE website and completed during visit. Online DPE Data Breach log can be used by the school. It is optional for the school to add the Data Breach procedure to the school website BUT this does have to be communicated to all staff. Data Breaches should be reported immediately to Federation Business Manager who will share with the Headteacher. The Data Beach will be reported via the Data Breach log available on the DPE website. Timescale for reporting a breach is 72 hours (this includes weekends and holidays)

		ACTION: School to communicate Data Breach procedure to all school staff (example of a data breach and who to report to)
5	SAR procedure and log	SAR procedure downloaded from DPE website. On receipt of a SAR, check with DPE for advice and guidance – email DPO@dataprotection.education DPE online SAR log can be used by the school.
6	Records management policy	Policy downloaded during visit. Recommendation from DPE is the policy be adopted by the school. Consider adding to the school website. This is not a statutory policy but is good practice to observe guidelines SL recommends that this is uploaded to the website following cross-referencing exercise with actual school practice – no time frame applies
7	Information classification policy	Policy downloaded during visit. ACTION: School to consider adopting this policy at some point in the future.
8	Consent forms	Latest DPE consent documents downloaded during visit. ACTION: School to check against documentation currently used.
9	Clear desk policy	This is a change of culture for the schools, and progress has been made. Staff understand the importance and reason for the policy (verbal at present). A decision will be made as to adopting the written policy after staff have completed e-learning training. Policy downloaded during visit. ACTION: School to decide whether to adopt this policy (recommendation from DPE)
10	FOI Policy	Policy downloaded during visit. ACTION: School to decide whether to adopt this policy (recommendation from DPE)
11	Work away from school policy	Document downloaded during visit. ACTION: School to decide whether to adopt this policy or include details of working from home in the Staff Handbook
12	Retention schedule and safe destruction of data	Data Cleansing Procedures It is recommended that data retention timelines are strictly observed. All PII and sensitive/confidential data / photos should be disposed of appropriately.

		Governor hub annual review of school data and safe data destruction checklist (downloaded during visit) and IRMS toolkit documentation discussed with the school. School can continue to check and record against data stored in school. The DPE record of processing tool will also include lawful basis for processing, risk and data retention. Guidance can be obtained from the DfE and IRMS toolkits: https://c.ymcdn.com/sites/irms.site-ym.com/resource/collection/8BCEF755-0353-4F66-9877-CCDA4BFEEAC4/2016_IRMS_Toolkit_for_Schools_v5_Master.pdf https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/747620/Data_Protection_Toolkit_for_Schools_OpenBeta.pdf (Annex 5.1)
12	DPIA	Discussed when one would be needed. DPE will be providing additional documentation on the Knowledge Bank. Risk management is also incorporated within the Record of Processing tool. Prior to any significant change to working practices a DPIA should be completed. DPIAs offer a risk assessment template where concerns can be noted alongside mitigating actions to reduce the overall risks related to change of practice.
Item	Data mapping and contracts	Follow on actions/comments
1	Data mapping to support the Record of Processing (RoP) tool	As the DPE Record of Processing tool is being launched shortly, the school will wait for this to start data mapping and for record management. DPE have provided around 100 generic processes that can be mapped for each school with appropriate sub-processors. DPE will be completing webinars and remote sessions from September 2019 to support schools with the process. DPE will support school in completing the Record of Processing tool ACTION: DPE to make appointment in Spring Term 2020 to work on ROP tool
2	Third party contracts (school photographer)	Discussed checking contracts of suppliers. Schools has a parent at Caston (who is a professional photographer) who is offering to take photos. Suggested the school documents and has an SLA/contract. School to consider: Only using school issue SD cards Images storage – only on school network The school can review photographic providers SLAs eg Tempest / consult with NCC Legal Dept.
		IT Provider details: IT shared services MIS Provider: Pupil Asset

Item	Technical measures	Follow on actions/comments
1	Email security	The Headteacher questioned security of nsix emails; SL response was that emails with sensitive information attached should be encrypted; Emails within the organisation of nsix should be secure as NCC have stated this is the case.
2	Website	School has completed checks and cleansed website to remove any old photos of leavers from the school website.
3	Servers and back ups	School servers should be located in a locked room – investigate re-location of server; School data is backed up to disk and retained by School Business Manager; Back up disks should be encrypted; School data should be routinely restored to check robustness of back-ups; School will investigate feasibility of moving to Cloud storage. School considering Google Drive, initially for keeping school resources. ACTIONS: Request IT Technician to check back-ups can be restored (Autumn Term 2019); School to work with IT Technician to identify outdated information and cleanse from system; School to work with IT Technician to Investigate relocation of school server to a more secure location.
4	Cyber essentials	Policy downloaded during visit. Recommend IT provider completes. ACTION: School to request IT Technician to compete Cyber Essentials Questionnaire before end of Autumn Term 2019
5	IT security and cloud computing	The schools have banned the use of memory sticks without encryption. SL shared the benefits of using Cloud base storage such a Google Drive, One Drive. As this would be a significant change to working practice it may be advantageous to initially use an information sharing platform to only store and share learning resources. In this way staff will become familiar with file sharing and applying restrictions to access.
6	Laptops	School to check that all teachers and laptops for general use are encrypted/School to check with IT provider encryption of laptops. ACTION: School to confirm with IT Technician that all school laptops are encrypted – Autumn Term 2019
7	iPad security	School will develop procedures to allow iPads to be accounted for daily. Written procedures to be introduced to ensure that sensitive data and photos are deleted from iPads as soon as possible following their use – emphasis on deletion of photos and adhering to retention guidelines. School discussed the loss of one iPad and the breach was logged during the visit on the DPE online breach log.

		Actions: To improve practice and reduce the risk of another breach the federation should: • All iPads should be labelled and accounted for daily; • To check all iPads have secure codes; • iPads should have 'find my iPad' installed and return to factory settings as a default.; • Photos and videos once uploaded, should have images deleted (ideally daily/weekly)
Item	Personal data	Consent obtained
1	Pupil photographs	Latest DPE guidance documents discussed with the school – latest guidelines downloaded for reference.
2	Staff photographs	Latest DPE guidance documents discussed with the school – DPE recommends that seek consent for display of staff photos, could be a risk of identity fraud – latest guidelines downloaded for reference.

DPE to follow up:
