- Overview of the school's requirement to comply with Article 30 of the GDPR
- How the personal information is mapped using DPE's RoP tool
- Example of a generic RoP
- Demonstration of the master lists, including roles, IT hardware and software
- Reporting functions of the RoP

Record of Processing (RoP) - methodology and where we are at

We will continue to work with you and demonstrate how the RoP can be adapted to reflect your school's individual practice.

Step 1 - a general introduction to the RoP tool with a brief overview of the generic process relating to financial/management of the school was provided at the online meeting on the 27.4.21

Step 2 - at the time of the meeting on the 8.6.21 a more in depth look at the RoP with key process owners and how completing the master lists will ensure the school reflects the technical measures and procedures it has in place to safeguard personal data.

Step 3 – online workshops and group sessions will take place, to support schools with further individual sessions as needed.

Note: a number of reporting functions i.e. risk reports, retention schedules will shortly be available.

RoP - Progress to date

At the meeting on the 27.4.21

An overview was provided of FIN09, Reconciling the Monthly Payroll and the master lists were demonstrated. A specific RoP was started managing BACS payments to staff and this will be finished at the time of the next meeting.

At the meeting on the 8.6.21

The RoP for managing BACS payments was updated to reflect the actual practice related to the setting up and processing of all BACS payments – both staff and suppliers.

The following RoPs were completed:

FIN09 Reconciliation of the monthly payroll report
FIN05 Payroll process – overtime and contract changes
FIN06 Payroll process – leavers
FIN Managing BACS payments to staff and contractors

RoP - Next Steps

A further meeting has been arranged for:
