Priorities from the consultation are detailed below:

Review of Previous Actions - At the meeting on the 10.3.21 the DP Policy and Privacy Notice were discussed as it had been identified that they required minor adjustments to include the latest Covid guidance.

The school confirmed that this guidance has now been added to the Privacy Policy and will check the Data Protection Policy.

Review of Training & Information Security - Discussions were held with the Headteacher regarding cyber security, following a ransom attack at a local school. The Headteacher will ensure that all relevant staff complete the DPE training 'Staying Safe Online' currently 7 staff have completed this course.

By completing this course, staff will be more aware of phishing emails and other cyber related risks.

It was agreed that the school will ask their IT Technician provider to complete the Cyber Essential Questionnaire.

GDPR Refresher Training – The ICO recommend that GDPR refresher training is taken on a 2 yearly basis. Please ensure this is time-lined for all staff as appropriate.

Electronic Internal Audit – Following on from the previous meeting on the 10.3.21, LM supplied the school with an electronic copy of the internal audit walk template. This is now available on Knowledge Bank and can be carried out by using a tablet / ipad.

Record of Processing - At the previous meeting it was noted that Susie has reviewed many of the Finance RoPs. The Finance RoPs will be completed at the time of the meeting on the 10.6.21 – please see the list below detailing the RoPs completed on that day.

The next step will be to identify and prioritise HR RoPs. A meeting will be arranged for the Autumn term to commence working on the HR RoPs.
