

School: Chapel Break

Date: 16/06/2021

Report: Remote consultation

DPE: Stuart Lee School member: Sara Johnston

Consultation details

- Compliance (documents) and checklists
- Review of training and running reports
- Information security - cyber essentials and NCST training
- Record of processing (RoP)
- Q and As

Priorities from the consultation are detailed below:

Compliance checklist and documents

The compliance best practice area/checklist (<https://dataprotection.education/index.php/best-practice-library/best-practice/commitment-to-compliance>) can be used to manage progress, print off reports for Trustees/Governors and support consultants during visits/remote consultations. **Demonstrated and updated for the school during the consultation.** This will also be useful for when the new head teacher (Mandy) takes over the headship in September.

Actions:

- Update the **Privacy Policy** to the latest DPE version.
- Adopt the latest **DPE Privacy Notices**. There are now separate Privacy Notices for: Workforce, General and Students and there is now a child friendly notice. In addition, update the documentation on the school website (attached with academy information removed).
- SL to send Sara a third party list to check against third party providers the schools use. The updated list can be added as an appendix to the privacy notices, or as a separate document on the school website - attached.
- **Add** the GDPR Policy, Privacy Notices, SAR/Data breach procedure and consent withdrawal to the school website.

Note: it might be worth considering having a GDPR section for key GDPR documents in the policy area of the school website. Example layouts can be obtained from:

<https://www.coltishall.norfolk.sch.uk/gdpr/>

<http://www.carletonrodeprimaryschool.com/policies/>

- Please check the compliance best practice area to ensure you are happy that you now have all of the initial compliance documents.

- **Publication scheme:** Check to identify if the school has a publication scheme and FOI policy. The updated guidance can be obtained from: <https://dataprotection.education/news-top/news/83-best-practice-updates/182-model-publication-scheme-amendments-improvements-and-updates>
Updated publication schemes can be obtained from: <https://kb.dataprotection.education/index.php/best-practice-library/best-practice/freedom-of-information>

Review of training, setting up staff and running reports

Sara confirmed that all staff have completed some form of internal GDPR training, so not all staff will have completed this via the DPE e-learning modules.

Actions:

- Set up new staff emails on the DPE website and delete leavers. DPEs Kalina can be contacted if help is needed to support the process: kalina.voyvodova@dataprotection.education
- Review additional training modules to be completed by staff (NCSC training etc).

Information security - cyber essentials and NCST training

Note:

- As there have been some security concerns within the sector we discussed cyber risks. NCC ICT shared services provide IT support and Sara was already aware of the issue. The school should consider staff completing the DPE NCSC stay safe online training.

Record of Processing (RoP) - methodology and where we are at

We will continue to work with you and demonstrate how the RoP can be adapted to reflect your school's individual practice. DPEs methodology has been to support schools with the process:

Step 1 - a general introduction to the RoP tool with a brief overview of the generic process relating to financial/management of the school. A demonstration was completed during the consultation (16/06/21).

Step 2- a more in depth look at the RoP with key process owners and how completing the master lists will ensure the school reflects the technical measures and procedures it has in place to safeguard personal data.

Step 3 – online workshops and group sessions to support schools with further individual sessions as needed.

Note: a number of reporting functions i.e. risk reports will shortly be available.

Action: SL to make this a priority with the school for the Autumn term.
