Priorities from the consultation are detailed below:

Compliance checklist and documents

Actions:

- SL to send Julie the updated GDPR policy, privacy notices and master third party list that can be used for the federation (attached).
- Julie to consider having a GDPR specific section on the federation website. This would initially include the following documents:

GDPR policy

Privacy notices

SAR procedure

Data Breach procedure

Consent withdrawal

Trowse Primary can be used as a reference site: <https://www.trowseprimaryschool.co.uk/key-information/gdpr>

- **Publication scheme:** Signposted Julie to DPEs publication scheme. The federation is currently updating its website so this will be a useful document to check against. **The updated guidance can be obtained from:**

ICO registration

Actions:

Julie to check the ICO registration for All Saints - Stibbard as this was not showing under the ICO registrations. Once confirmed, Julie will inform SL who will support the process for informing the ICO as to DPE being the named DPO.

Review of training, setting up staff and running reports

Note:

- Importing new staff on the DPE website was completed during the consultation.

Action:

- Review training modules to be completed by staff (work away from school and NCSC etc).

Electronic internal audit (making the rounds)

Demonstrated the online walk during the consultation with the federation having the option to complete their own end of day walk and report findings back to staff (raising awareness).

Record of Processing (RoP) - methodology and where we are at

We will continue to work with you and demonstrate how the RoP can be adapted to reflect your school's individual practice.

Note: SL gave an initial demonstration and discussed DPEs methodology and planning for dedicated RoP sessions for the Autumn term, once the initial compliance actions have been completed.

Q&As

Julie - do we need a separate consent for grandparents on the school admission/application form and/or wording to that effect. SL - this is not advisable as the parent would not be able to provide the consent on behalf of, for instance, grandparents. This was confirmed when checking with the DPE team; where the emergency contact is genuine, you would not need consent.

Autumn term visit

Arranged for: 16 November, 13.30. Onsite visit to include the GDPR school governor.
