Record of Processing (RoP) - methodology and where we are at

We will continue to work with you and demonstrate how the RoP can be adapted to reflect your school's individual practice.

Step 1 - a general introduction to the RoP tool with a brief overview of the generic process relating to financial/management of the school was provided at the online meeting on the 14.4.21

Step 2- at the time of the meeting on the 25.5.21 a more in depth look at the RoP with key process owners and how completing the master lists will ensure the school reflects the technical measures and procedures it has in place to safeguard personal data. Please see list below of all Finance RoPs completed by the end of this meeting.

Step 3 – online workshops and group sessions will take place, to support schools with further individual sessions as needed.

Note: a number of reporting functions i.e. risk reports, retention schedules will shortly be available.
