HA

Hi Charan,

I have drafted the following letter as requested - it needs to be sent by 12.30pm so if you can have a quick look that would be great. Have dealt with the immediate redaction issue and sorted it, plus the DSL has already dealt with the staff concerned.

Kind regards

Halina

| Good morning Halina

Good morning Hanna,

I thought it would assist to send you a short note in respect of the discussion we had about the issue of the safeguarding disclosure/concern, that has been recorded as “abuse at home” which Mr Dring has complained is “abhorrent and inaccurate ” and which he has requested the school rectify.

As we discussed it is important to ensure that any safeguarding concern is accurately recorded to reflect the nature and circumstances of any safeguarding concern, allegation or disclosure made. In addition it is also considered good practice to ensure that safeguarding data is recorded in an objective non judgemental manner.

When considering the data that Mr Dring has objected to and which he has requested rectification of, please consider whether the recording needs to be amended in order to ensure that it is accurate, correct and objectively records without judgement the concern/disclosure that was made and by whom and to whom it was made. I understand you will need to ascertain whether there is a particular reason why the entry in respect of this data has been recorded in its present form as this may assist you to provide an explanation to Mr Dring which he has requested in this letter to you of the 21 July.

As you know I am out of the office today. However, I should be free and able to talk between 12 noon and 3pm so please do contact me if you need to. If you need to speak to someone urgently in my absence in the morning, in order to respond to Mr Dring before school closes for the summer, James England or Fay Ford, both of whom I have copied into this email, will be able to assist you.

As soon as I receive a response from the ICO I will let you know.

Kind regards,

Charan Martin
