

School: The Three Saints Academy

Date: 16/09/2021

Report: Remote consultation and RoP session

DPE: Linda Mortimer

School members: Kim Sawe, Finance Director

Consultation details

- DPE website including: staffing changes and updating on the DPE website
- Compliance documents including the Data Protection Policy and Privacy Notice
- Review of training
- Information security - cyber essentials and NCSC training
- Electronic internal audit (making the rounds)
- Record of processing (RoP) update and next steps
- Confirm future appointments and/or RoP session(s)
- Q and As

Priorities from the consultation are detailed below:

DPE website/best practice including staffing changes

There is a new look to the dashboard and previous details relating to Tickets / SARs / Data Breaches / FOIs have been archived, but can still be accessed in the same way.

New staff were discussed and how their details can be uploaded to the DPE website. Kim is confident that she can manage this, however if help is required, Kalina can provide customer support. Kim confirmed that GDPR is included in the new staff induction.

Recording staff covid vaccination status and testing was discussed and Kim confirmed that school staff upload their information directly to the secure .GOV website.

Actions from meeting on 16.9.21

It was agreed at the time of the meeting that Kim will review the Trust's Data Protection Policy and Privacy Notice to ensure the latest version is available. Kim may present these to the Trust Board in December 2021.

In light of latest guidance from the ICO and data protection code of practice; The Children's Code (in place from 2.9.21) the Trust to review and consider adopting the child friendly Privacy Notices available on Knowledge Bank.

The News section on Knowledge Bank was reviewed with special focus on information relating to The Children's Code, which has come in to force from the 2.9.21. LM recommended that this is raised with senior leaders at the Trust and the ICO full statement can be accessed from Knowledge Bank.

Review of training, setting up staff and running reports

Kim confirms that most staff have completed their GDPR Refresher training (ICO recommend this should be completed on a 2 yearly basis). Records for training are kept at a local level.

In light of recent cyber attacks on Norfolk schools, it is recommended that other additional training modules are completed by staff:

- Staying Safe Online
- Password Security

It is also worth noting the importance of the caretaker understanding/recognising a data breach, and how to mitigate related risks, relevant action to take and who to report to. There is training available on Knowledge Bank.

Information security - cyber essentials and NCST training

Actions:

- As there have been some security concerns within the sector ask your IT provider to complete the cyber essentials questionnaire: <https://dataprotection.education/best-practice-library/documents/information-technology-security>
- Consider staff completing the DPE NCSC stay safe online training.

Electronic internal audit (making the rounds)

Demonstrated the online audit walk during the consultation.

Actions:

- The Trust has the option to complete their own end of day walk and report findings back to staff (raising awareness). A demonstration was provided at the time of the meeting.

Record of Processing (RoP) - and DPE methodology

We will continue to work with you and demonstrate how the RoP can be adapted to reflect your school's individual practice.

Step 1 - a general introduction to the RoP tool with a brief overview of the generic process relating to financial/management of the school – at the meetings on 11.3.21 and 17.6.21.

Step 2- a more in depth look at the RoP with key process owners and how completing the master lists will ensure the school reflects the technical measures and procedures it has in place to safeguard personal data.

Step 3 – online workshops and group sessions to support schools with further individual sessions as needed.

Note: a number of reporting functions i.e. risk reports will shortly be available.

The following RoPs were completed at the time of the meeting on 16.9.21.

HR21 Setting up an employment contract

HR04 Setting up the personnel file

Future appointments: Appointment made for Tuesday 8 February at 10.30am
