The Children's Code

As from the 2 September 2021 this new code of practice has come in to force. This code stipulates how companies supplying educational technology, social media platforms such as Facebook, Tik Tok, Whatsapp as well as online games and apps are expected to operate. The code specifies greater security measures to be in place with the safeguarding of children's personal data and the need for 'age appropriate' communication/media tools for children.

DPE recommend that Headteachers and school staff familiarise themselves with this new code of practice and information can be found under the News section on Knowledge Bank, which provides a link to the ICO's full statement on The Children's Code.

Record of Processing (RoP) - methodology and where we are at

We will continue to work with you and demonstrate how the RoP can be adapted to reflect your school's individual practice.

Step 1 - a general introduction to the RoP tool with a brief overview of the generic process relating to financial/management of the school was provided at the online meeting on the 12.7.21

Step 2- at the time of the meeting on the 30.9.21 a more in depth look at the RoP with key process owners and how completing the master lists will ensure the school reflects the technical measures and procedures it has in place to safeguard personal data.

Step 3 – online workshops and group sessions will take place, to support schools with further individual sessions as needed.

RoP - Progress to date

At the meeting on the 12.07.2021
