Record of Processing (RoP) - methodology and where we are at

We will continue to work with you and demonstrate how the RoP can be adapted to reflect your school's individual practice.

Step 1 - a general introduction to the RoP tool with a brief overview of the generic process relating to financial/management of the school was provided at the online meeting on the 6.5.21. A further meeting took place on 14.6.21 when the Finance RoPs were completed to reflect the actual practice at Pulham Primary.

Step 2- a more in depth look at the RoP with key process owners and how completing the master lists will ensure the school reflects the technical measures and procedures it has in place to safeguard personal data.

Step 3 – at the time of the meeting on the 20.10.21, the HR RoPs were reviewed and prioritised for completion in accordance with a risk related approach.

RoP - Progress on 20 October 2021

At the time of this meeting, the following RoPs were reviewed, amended and tailored to reflect the actual practice at the school:

HR01	Pre-Employment Checks
HR06	New Starter Procedure / Induction
HR09	DBS Checks for Staff, Contractors and other Third-Party Professionals
HR21	Setting up the Employment Contract

A further meeting has been arranged for 17 November at 9.30am to continue with tailoring the remaining HR RoPs.
