Report: Remote consultation

DPE: Stuart Lee **School member:** Julie Church (HT), Federation admin: Helen, Jenny and Hannah.

Consultation details

The first part of the consultation to include everyone:

- Housekeeping routines
- Latest risks (information security) and updates - can discuss training at this point if needed
- Supplier compliance
- Audit walks
- RoP updates
- Q and As

The second part for Julie and any staff who would like to stay on and attend:

- Compliance documents and updates
- Training review and updated training
- The latest news on potential changes to data protection legislation
- Q and As

Follow on actions and content from the consultation are detailed below:

Staffing changes

- Set up new staff on the DPE website and delete leavers: DPE dashboard>users>add staff, either manually or bulk import. Kalina at DPE (client support) is here to help you and can be contacted for support at: kalina.voyvodova@dataprotection.education.

Compliance documents

SL actions:

SL to send Helen the latest privacy notices, GDPR policy with academy information removed and master third party list to check against - actioned.

Helen actions:

- Add federation/school logo and contact details, and upload the updated privacy notices and policy onto the federation website with the third party list of who the school shares information with.
- **Work away from school policy - if not already it is good practice to have one.** Federation to ascertain if current documentation covers work away from school. JC to follow up.
- **Publication scheme:** JC to identify if the school has a publication scheme and FOI policy. **The updated guidance can be obtained from:**

Review of training

- Review additional training modules to be completed by staff. Ideally new staff will be set up on the DPE website and GDPR training will form part of the induction process. Existing staff should complete some form of refresher training every 2 years. Link to the DPE January INSET day training being offered is here: <https://dataprotection.education/freebies/free-data-protection-inset-training>
- As there have been some security concerns in the sector, consider staff completing the DPE NCSC stay safe online training.

Supplier compliance

Discussed compliance risks and what to be aware of when purchasing new products; data sharing agreement; due diligence of suppliers privacy documentation etc. Explained that DPE are currently assessing many of the Norfolk schools supplier compliance documentation.

Electronic internal audit (making the rounds)

Demonstrated the online walk during the consultation. The federation/school has the option to complete their own end of day walk and report findings back to staff (raising awareness).

Record of Processing (RoP) - and DPE methodology

Demonstrated running a risk report from the RoP. The federation confirmed that they have their own record of processing that can be adapted for GDPR.
