School member: Cathy DeMicco, Administrator

Consultation details

- Overview of the new look RoP manager
- Review of the school's progress with RoP
- How the personal information is mapped using DPE's RoP tool
- Example of a generic HR RoP
- Review of how the populated RoP can be used to provide business continuity
- Reporting functions of the RoP
- Q and As

Priorities from the consultation are detailed below:

To continue with the completion of the Finance RoPs and using a risk-based approach, prioritise HR RoPs for completion.

Record of Processing (RoP) - methodology and where we are at:

We will continue to work with you and demonstrate how the RoP can be adapted to reflect your school's individual practice.

Step 1 - a general introduction to the RoP tool with a brief overview of the generic process relating to financial/management of the school.

Step 2 - a more in depth look at the RoP with key process owners and how completing the master lists will ensure the school reflects the technical measures and procedures it has in place to safeguard personal data.

Step 3 – online workshops and group sessions to support schools with further individual sessions as needed.

Note: a number of reporting functions are now available from the RoP manager.

RoP - Progress to date

At the time of this meeting, the remaining Finance RoPs were reviewed, amended and tailored to reflect the actual practice at the school.

HR RoPs were highlighted for completion at the time of the next meeting on the 16 March 2022. The RoP for Managing the Recruitment Process was also completed at the time of the meeting on the 26.1.22.

Information was added relating to the Disclosure of Criminal Convictions & Suitability to Work with Children Form.
