

School: Scarning Primary

Date: 15/03/2022

Report: Record of Processing - Online Meeting

DPE: Linda Mortimer

School member: Claire Leadley

Consultation details

- Using a risk-based approach, review remaining Finance RoPs for completion.
- Identify how roles are assigned within the school

At the time of the meeting Claire considered the remaining RoPs required for completion. All RoPs previously assigned to the school's RoP Manager on Knowledge Bank were completed with the exception of the RoP relating to the financial audit. There are many other completed RoPs which can be found under the Generic School and these can be easily copied into Scarning's RoP Manager and adapted to reflect the actual practice at the school.

The school has clearly defined roles and responsibilities for its financial management, with robust processes and procedures in place. The School Secretary and Finance Officer work closely together regarding HR and Financial management and benefit from using well established NCC systems.

Record of Processing (RoP) - methodology and where we are at

We will continue to work with you and demonstrate how the RoP can be adapted to reflect your school's individual practice.

Step 1 - a general introduction to the RoP tool with a brief overview of the generic process relating to financial/management of the school.

Step 2- a more in depth look at the RoP with key process owners and how completing the master lists will ensure the school reflects the technical measures and procedures it has in place to safeguard personal data.

Step 3 – online workshops and group sessions to support schools with further individual sessions as needed.

RoP - Progress to date

LM provided a demonstration of the latest features and reporting functions of the RoP manager.

At the time of this meeting all Finance RoPs were completed.

There are many other completed RoPs which can be found in the Generic School. These can be easily copied into your school's RoP Manager and adapted to reflect the actual processes at Scarning Primary.
