Hi Clare,

Thank you for your email and yes, that would work and makes good sense. Are you able to please advise of another date and time that would be suitable now that September 19th needs to be moved? It may be best to give a couple of dates if possible. I have copied Kalina into the email so that she is aware.

Thanks for the update regarding the staff members that have left, we will update our systems.

Many thanks,

Tammy

Hi Tammy

Please note that Jean Smith and Vicky Phillips no-longer work at Coombe Road Primary School.

Our new Headteacher is Stuart Scrase - stuartscrase@coomberoad.brighton-hove.sch.uk

Our new School Business Manager is Clare Warland - clarewarland@coomberoad.brighton-hove.sch.uk

I did have a meeting planned with Kalina for 19th September but this will now need to be changed. Could we combine both meetings?

Thanks.

Hi all,

I hope you are well. Following on from James' email this week I wanted to follow up and try to book an introductory half an hour online meeting with you. It would be a meeting whereby we could all introduce each other, I could learn more about where you are with your data protection and we could work on a plan for the year ahead.

I am very aware that it is a very busy time of year for schools so would welcome you sending me dates and times that would be convenient for you. I am currently booking from the week of the 3rd October. My contact details are below, or you can reply to this email or add a ticket on the Knowledgebank - I look forward to hearing from you.

Have a lovely weekend,

Many thanks,

Dear all,

Welcome back - I hope that you've had an enjoyable summer.

I'm writing to let you know that we've appointed a new school consultant, Tammy Buchanan to cover the South East and she will looking after you from this point, whilst I spend more time on core-DPO functions and general business operations.

Tammy brings years of experience managing information technology for primary schools and a multi-academy trust and is a huge asset to Data Protection Education. She is cc'd in this email and will be in touch to arrange our programme for the year ahead shortly. If we have an existing appointment booked for this term, that appointment will still be valid.

If you have any questions, please do contact me or email at the usual address: dpo@dataprotection.education

Kind regards,

James
