Hello Alison,

Thank you for your email. I managed to find the report that you were talking about at the same time you happened to send it through to me. I have also had a chat with James about it. I will have a look through everything before we meet and we can work out where to go from there. Do you have a deadline from the Governors for getting this report to them?

October 6th at 9:30 would be great and I will send you a meeting link shortly.

Thanks for getting back to me so quickly and I look forward to seeing you then, have a lovely weekend.

Many thanks,

Tammy

Hi Tammy

I've looked through emails and can only see ones from Kalina about various workshops (general email to all I believe) and one from James introducing you. I do have a voicemail on my phone so if anyone calls, please tell them to leave a message and I will get back to them.

I'll email over a copy of the report that was done, just in case it helps.

Can we do Thursday 6<sup>th</sup> October at 9.30am? Will you send the invite?

Many thanks

Hello Alison,

No problem at all, thanks for getting back to me. I have had a look at the system and can see that several people at DPE have tried to email or phone you to try to arrange meetings with you but have not managed to speak to you and you've recently had some advice on a SAR ticket. You should be able to see all of that information if you look at the SLA on the Knowledgebank.

Initially I am offering everyone a half an hour online meeting so that we can introduce each other and you can give me an update on where you are with your data protection and we can work out what is required for the year ahead. I am unable to see what report you received previously on the system unfortunately. In order for the Knowledgebank to be able to produce reports there does need to be some data in the system and I can only really see there is some training course information and staff members? It may be that you previously had an audit walk (Making the Rounds) at your school and the report from that which probably would have been done pre-Covid? I will check with James. An audit walk is something that you can now do yourself and we can advise on once the information is there, but we can talk about this when we speak

I currently have some time on the 3rd/6th/12th October (any time) if any of those would be of use for you?

Many thanks,

Tammy

Hi Tammy

Sorry for the late reply.

Are you doing visits yet as we haven't had one.

Our governors are asking for an updated report which DPE provided to us 11 months ago so is due to be updated. We haven't really had any contact as far as I'm aware so I'm not sure how much information this could provide them with but I'd be interested to discuss further?

Kind regards

Hello Alison,

Thank you for your email - would you like to send me some dates/times when would be convenient either at the end of September or in October for an online remote meeting where I could introduce myself and we could work out where you are at and what you need?

Many thanks,

Dear Alison,

Welcome back - I hope that you've had an enjoyable summer!

I'm writing to let you know that we've appointed a new school consultant, Tammy Buchanan to cover the South East and she will looking after you from this point, whilst I spend more time on core-DPO functions and general business operations.

Tammy brings years of experience managing information technology for primary schools and a multi-academy trust and is a huge asset to Data Protection Education. She is cc'd in this email and will be in touch to arrange our programme for the year ahead shortly. If we have an existing appointment booked for this term, that appointment will still be valid.

If you have any questions, please do contact me or email at the usual address:  
[dpo@dataprotection.education](mailto:dpo@dataprotection.education)

Kind regards,

James
