Hi Gill,

Thanks for getting back to me so quickly. Apologies James had removed Andie from the DPE Knowledgebank as a contact but I had replied to the original email that he had sent out so had not realised. I have now set up the meeting and you both should have received the meeting request.

I look forward to seeing you then, have a good week.

Many thanks,

Tammy

Hi Tammy,

Andie left the school in the summer. I did ask James to remove her from your list of contacts.

Gemma Nunes is Head of School and we have an Executive Head above her. Please book Gemma and I in for a time during w/b 17th October. Wednesday 19th currently looks good after lunch.

Kind regards,
Gill

Hi Andie and Gill,

Following on from James' email I wanted to follow up and try to book an introductory half an hour meeting with you. It would be a meeting whereby we could all introduce each other, I could learn more about where you are with your data protection and we could work on a plan for the year ahead.

I am very aware that it is a busy time for schools, so would welcome you sending me dates and times that would be convenient for you and am currently booking from the week of the 17th October. My contact details are below, or you can reply to this email or add a ticket to the Knowledgebank - I look forward to hearing from you.

Many thanks,

Tammy Buchanan

Dear Andie, Gill.

Welcome back - I hope that you've had an enjoyable summer!

I'm writing to let you know that we've appointed a new school consultant, Tammy Buchanan to cover the South East and she will be looking after you from this point, whilst I spend more time on core-DPO functions and general business operations.

Tammy brings years of experience managing information technology for primary schools and a multi-academy trust and is a huge asset to Data Protection Education. She is cc'd in this email and will be in touch to arrange our programme for the year ahead shortly. If we have an existing appointment booked for this term, that appointment will still be valid.

If you have any questions, please do contact me or email at the usual address: dpo@dataprotection.education

Kind regards,

James
