Hello Rachel,

Thanks for contacting me. Yes Arrienne is now on maternity leave and did have her baby girl a week and a half ago and both are doing well.

Unfortunately I do not have any availability on the 13th October - if you would like to send me some other dates we can try and book in a session? Initially I am offering everyone a half an hour introductory meeting, which I did email you about at the end of September? However, I do understand if you want to get going on the Record of Processing and your retention policies, so no problem. I am also quite local to you as I live in Hampshire so could potentially do an in person visit if that is more beneficial for you?

I look forward to hearing from you.

Many thanks,

Tammy

Hello Tammy,

I assume that Arrienne is off on maternity leave now, I hope that she and the baby are doing well?

I wanted to schedule a call with you if that's okay? I need to get on with doing the record of processing as I am desperate to update the document retention policy and I think that a quick refresh would be useful!

Are you free on the 13th of October at 8.30am? I am hoping to have a call with you and then lock myself away until its finished!

Many Thanks

Rachel
