Hello Alison and Peter,

Lovely to meet you both this morning and thank you for your time. I have already sent through the meeting request for the Making the Rounds in person meeting in November as discussed.

I have tried to reset Peter's password but there is currently an issue with the system which James is looking into, so once that is resolved, I will send it through.

I am attaching a quick video recording to show you how to assign courses to your staff once you have set them up, it is only a couple of minutes long and doesn't have sound, but will be something you can refer to quickly when you get to that point.

I will send through some further information shortly and will speak to Kalina about a full demo of the Knowledgebank for you.

I have checked, and Peter you do have the access to view the Best Practice Area which is where you will find a lot of the policy and compliance information that we discussed. If you choose 'Resources' which is under the same menu there is a list of policy templates available for you.

If you have any further questions, then please do not hesitate to come back to me.

Many thanks,

Tammy Buchanan
