Hi Liz,

Following on from Arrienne's in September, I wanted to follow up and try to book an introductory half an hour online meeting with you. It would be a meeting whereby we could introduce each other, I could learn more about where you are with your data protection and we could work on a plan for the year ahead.

I am very aware that it is a busy time for schools, so would welcome you sending me dates and times that would be convenient for you and am currently booking from the week of the 2nd November. My contact details are below, or you can reply to this email or add a ticket to the Knowledgebank - I look forward to hearing from you.

Many thanks,

Tammy Buchanan

Hi Liz,

Welcome back - I hope that you've had an enjoyable summer!

I'm writing to let you know that we've appointed a new school consultant, Tammy Buchanan to cover the South East and she will be looking after you from this point.

Tammy brings years of experience managing information technology for primary schools and a multi-academy trust and is a huge asset to Data Protection Education. She is cc'd in this email and will be in touch to arrange our programme for the year ahead shortly.

If you have any questions, please do contact the usual address: dpo@dataprotection.education

Kind regards,
