Hello Kelly,

Thanks for your reply and for the information! I have updated the school name in the DPE Knowledgebank to be Great Bookham School. I haven't changed your email address because that will cause issues with you logging into it as it is your username for logging in, so probably best keep it that way for now. There is nothing that you need to do before we meet as it is a quick meeting for me to introduce myself, you to tell me what is happening with your school and where you are with data protection and to make a plan going forward from there. The meeting is an online half an hour one so should fit into your busy day.

I can offer Monday 31st October at any time, Tuesday 1st November in the afternoon at 2pm or Friday 4th November at 11am or any time in the afternoon. If you could let me know and I will book you in before those dates are released to anyone else.

I look forward to meeting you! In the meantime, if you need to contact me my contact details are below, or you can reply to this email or add a ticket to the Knowledgebank - I look forward to hearing from you.

Many thanks,

Hi both,

Since we last spoke we have changed our name to Great Bookham School and so my email address has also changed. They are still being forwarded over so don't worry if you use the old one!

I work Mondays, Tuesdays and Fridays so any of them are good with me. As I am in the school office it would be good to avoid 9-10am, 12-1pm and 3pm onwards! Other than that, any time 😊

I've had a bit of a GDPR break and so please let me know what I need to do and I'll get right on it!

Many thanks

Kelly

Morning Kelly

I hope you had a well deserved break over the summer?

Could we look at the diary to book in a session this term please? I'd like to introduce my colleague, Tammy, as she will be working with The Dawnay going forward. I'll pop a couple of dates below if either are suitable for you:

Wednesday 28th September at 11am

Monday 3rd October at 13:00

Speak soon

Hi Kelly, I hope you are well?

I have some availability in July if you'd like another session before breaking for the summer? I'll pop some dates below if they're convenient for you?

Wednesday 6th July at 11:30

Monday 18th July at 14:15

Alternatively, we can look at early autumn as I know how manic schools can be in this run up to the end of the year!

Kind regards

Good afternoon Kelly

Thank you for taking the time to meet with me yesterday. You've made some really good progress with staff training and compliance documentation in such a short time!

I have attached a short report listing other recommended training courses for staff and some links to helpful areas to support your information security. The link to the cyber essentials questionnaire had been removed, hence you not finding it, so apologies on my behalf for that.

I spoke with James this morning about the 'to do' issue and he confirmed that it is in fact a checklist separate to the task completion, therefore the ones showing as 'completed' in the 'to do's' must have been manually ticked. If you just use the Staff Training Report Log to check when courses have been completed, as I showed you during our meeting, that will be accurate.

We'll catch up again towards the end of the summer term, unless of course you need anything in the meantime, just drop me a line or call.

Kind regards
