Hi Claire,

I hope you had a good weekend.

Just to follow up on the Making the Rounds (Audit Walk) last week. The information is in the DPE Knowledgebank for you to view with some actions for the school - there are no surprises, it was everything we discussed. The DfE issued some further guidelines around Cybersecurity last week, so this should help emphasize the need for locking computers and I have put a link for that in the write up. I have set you a Todo on the system so you should receive a notification with a link to where it is. Otherwise you can log in to the Knowledgebank and go to My Activities->Making the Rounds.

I look forward to catching up with you in December.

Many thanks,

Tammy Buchanan
