Hi both,

Thank you for your time today. Please find attached a short report and some additional information that we discussed. I have attached the short video that I mentioned about assigning courses to staff to do over the year which may be useful for you. I have also attached some of the template policies we discussed for your information.

Are you able to please let me know who is running the LA Cybersecurity webinar on Wednesday that you mentioned to me?

I look forward to seeing you both in December - the invite for this will come through shortly.

Many thanks,

Tammy Buchanan
