Hi Alison,

Thanks for your time today. It was really good to meet with you and learn more about where you are with your data protection. Please find attached a short report and some additional information that I mentioned.

I have attached the template procedure for SARs as discussed.

I have also attached a very short video showing you how to assign Todos on the system so that staff can see what training they need to do, there is no sound and it is only a couple of minutes long.

If you have any further questions please do not hesitate to contact me. I have sent through the meeting request for December and included Steven on the invite, I look forward to seeing you then.

Many thanks,

Tammy Buchanan
