Hi all,

Thank you for your time today, it is very much appreciated when you are all so busy. I have attached a short report that covers the details of our meeting along with some additional links.

I have attached a data privacy template policy because it has a table in the appendix showing a form of third party supplier list that you could create. I also mentioned another school that does it a slightly different way:

<https://www.trowseprimaryschool.co.uk/key-information/gdpr>

I have also attached another example of how you could list your suppliers and the data shared. While these examples will get you started, you will need to do your own due diligence on your school's suppliers.

I have attached the template for adding staff onto the system and a very short video (2 minutes with no sound) which shows you how to assign a course to staff - however, as I mentioned if you get stuck on any of that please just contact me and I can go through it with you or do it for you.

We have planned to do a Making the Rounds (data audit walk) in the next term.

You asked about courses - at the very least I would recommend that all staff do the GDPR refresh and then any new staff that are going through an induction do the Introduction to Data Protection. There is also a very short course (5-10 minutes) on Data Breaches. The National Cyber Security Centre does a lot of work to support schools and their courses are also listed.

We agreed that if you log on to the Knowledgebank and need any further help that you will come back to me to book a demo of the system. Otherwise I will shortly send you a meeting request for January.

In the meantime if you have any further questions please either raise a ticket on the Knowledgebank or contact me using the details below. Have a good half term!

Many thanks,

Tammy Buchanan
