Hi Nakita,

Thank you for your time today. It was really lovely to meet you.

Please find attached a short report covering our discussion with a lot of extra information that I mentioned.

I have also attached:

The latest Data Protection Model Policy so that you can see any new wording that you need to use.
The latest Data Privacy Notice so you can see an example of how a third party supplier list might be structured.
An example of a third party supplier list.
A very short video with no sound showing you how to assign a Todo for all the staff for training courses.

I will send you an invite for the meeting on the 14th December shortly.

In the meantime if you have any further queries, please do not hesitate to contact me or raise a ticket on the Knowledgebank.

Many thanks,

Tammy Buchanan
