To: Mark Woodley <markwoodley@saltdean.brighton-hove.sch.uk>, John Maxwell <JohnMaxwell@saltdean.brighton-hove.sch.uk>

Bcc: Tammy Buchanan <tammy.buchanan@dataprotection.education>

Hello both,

Further to my email in September I am writing again to offer you an introductory online half an hour meeting to introduce myself as your data protection consultant at DPE and to look at how the school manages data protection.

As a reminder, we are your data protection officer and as part of our service we also provide:

Training & Consultancy
Data Protection Audits
Access to the Knowledgebank
DPO Support
Subject Access Request Support
Data Breach Support and much more

Also, having spoken to Victoria about the recent SAR that you had, we do need to get a date in the diary to talk about data retention.

I am currently booking dates from the 17th November. My contact details are below, or you can reply to this email or add a ticket to the Knowledgebank - I look forward to hearing from you.

Many thanks,

Tammy Buchanan

Data Protection Consultant

Subject: DPE Online Introductory Meeting: Saltdean Primary School

To: Mark Woodley <markwoodley@saltdean.brighton-hove.sch.uk>, John Maxwell <JohnMaxwell@saltdean.brighton-hove.sch.uk>

Hi both,

Following on from James' email I wanted to follow up and try to book an introductory half an hour meeting with you. It would be a meeting whereby we could all introduce each other, I could learn more about where you are with your data protection and we could work on a plan for the year ahead.

I am very aware that it is a busy time for schools, so would welcome you sending me dates and times that would be convenient for you and am currently booking from the week of the 17th October. My contact details are below, or you can reply to this email or add a ticket to the Knowledgebank - I look forward to hearing from you.

and she will looking after you from this point, whilst I spend more time on core-DPO functions and general business operations.

>
> Tammy brings years of experience managing information technology for primary schools and a multi-academy trust and is a huge asset to Data Protection Education. She is cc'd in this email and will be in touch to arrange our programme for the year ahead shortly. If we have an existing appointment booked for this term, that appointment will still be valid.
