Hi Christine,

Thank you for your time today, it was really good to meet you. I have attached a list of items that we covered with some extra links and details around each subject.

I have attached the following:

- Peter Gladwin School October 2022 - report mentioned above.
- SampleFormat.csv - this is the template that you need to bulk upload the staff members onto the Knowledgebank. When you are ready to add users on to the Knowledgebank, if you select 'Users' from the main dashboard screen you will then get the option to import the sampleformat.csv file that you have filled in and it will add everyone on. As mentioned, I would advise that you send everyone an email first so they know what to expect.
- Template model policies as discussed including SAR Procedure.
- How to assign a course - a very short video with no sound showing you how to assign courses to staff.

If you have any questions please do not hesitate to contact me, otherwise I look forward to meeting with you again on February 1st 2023 - I will set up the meeting shortly.

Many thanks,

Tammy Buchanan
