Hello both,

Further to my emails in September I am writing again to offer you an introductory online half an hour meeting to introduce myself as your data protection consultant at DPE and to look at how the school manages data protection.

As a reminder, we are your data protection officer and as part of our service we also provide:

Training & Consultancy
Data Protection Audits
Access to the Knowledgebank
DPO Support
Subject Access Request Support
Data Breach Support and much more

I am currently booking dates in November - this link shows my availability allowing you to book a timeslot at your own convenience:

<https://go.oncehub.com/DPEIntroductoryOnlineMeeting>

I would also like to advise that your data privacy document on your website refers to persons left and cannot locate the data protection policy? The data privacy policy has also not been updated since 2018, so would recommend you to book a meeting to discuss further.

My contact details are below, or you can reply to this email or add a ticket to the Knowledgebank - I look forward to hearing from you.

Many thanks,

Tammy Buchanan
Data Protection Consultant

Hi,

I received a message that Carly Regan has left in response to this email - I am trying to make contact with the person that looks after data protection in your school - are you able to please either forward the email below onto the relevant person or pass along their details to me?

Many thanks,

Tammy

Hi both,

Following on from James' email I wanted to follow up and try to book an introductory half an hour meeting with you. It would be a meeting whereby we could all introduce each other, I could learn more about where you are with your data protection and we could work on a plan for the year ahead.

I am very aware that it is a busy time for schools, so would welcome you sending me dates and times that would be convenient for you and am currently booking from the week of the 17th October. My contact details are below, or you can reply to this email or add a ticket to the Knowledgebank - I look forward to hearing from you.

Many thanks,

Tammy Buchanan

Dear Carly, Russell,

Welcome back - I hope that you've had an enjoyable summer!

I'm writing to let you know that we've appointed a new school consultant, Tammy Buchanan to cover the South East and she will be looking after you from this point, whilst I spend more time on core-DPO functions and general business operations.

Tammy brings years of experience managing information technology for primary schools and a multi-academy trust and is a huge asset to Data Protection Education. She is cc'd in this email and will be in touch to arrange our programme for the year ahead shortly. If we have an existing appointment booked for this term, that appointment will still be valid.

If you have any questions, please do contact me or email at the usual address: dpo@dataprotection.education

Kind regards,

James
