Report: Remote consultation

DPE: Stuart Lee

Staff member: Kathryn Jackson

Agenda

1. Staff lists and updates
2. Compliance documents
3. Information security and staff training
4. Data retention (IRMS)

1. Staff lists and updates

Staff lists and staff emails were updated during the consultation. The proposed UK data protection and digital information bill; changes to the current UK GDPR was discussed together with federation organisational changes. New features to the DPE website; to do lists; assigning staff to courses was demonstrated during the consultation.

2. Compliance documents

KJ confirmed that the GDPR policy is currently with governors to be ratified. SL recommended that the school updates to the latest DPE privacy notices and display the schools third party list on the data protection section of the federation website. The latest DPE documents are available from the following [DPE best practice area](#).

A school to check against compliance layout is:

3. Information security and staff training

Information security - KJ will ask the schools IT provider to go through and rate the recent NCC themed cyber security audit.

There is also an [information security best practice](#) area with policy documentation, links to other related best practice areas (passwords) and lots of content regarding latest threats in the sector.

In addition, you can check out the National Cyber Security Centre website: [ncsc.gov.uk](https://www.ncsc.gov.uk) which has useful resources and tips for schools regarding cyber security:

- **School resources:** <https://www.ncsc.gov.uk/section/education-skills/schools>
- **Governor Qs for schools:**
<https://www.ncsc.gov.uk/information/school-governor-questions>

Other useful documents to review and check that you have linked to information security are:

- Work away from school policy
- Information Security/Passwords

Staff training - KJ will check the student reports section of the DPE website and follow up with staff yet to complete GDPR refresh and the Stay Safe Online NCSC training. This is not only beneficial for the organisation but also for staff when accessing personal information online i.e. personal banking:
