Hi Gill,

No problem, I completely understand and thanks for letting me know, although I should advise you that when meetings are cancelled with less than 48 hours notice they are still logged against the SLA. I have put a link below that will show you my availability so you can book at a time convenient to you.

I'm really sorry Tammy, we are having to cancel again! I checked with the head of school yesterday that we were meeting you together and were going to use her laptop but she has now discovered that she had double booked herself. I haven't brought my laptop in with me and I won't be able to communicate with you from my office computer.

I'm really sorry. Can we book a new date again?
